

Audio/Video and Electronics Accessories - Charging Unit - Cell Phone Charger

Part Number 82214000AB

The charging units easily install in the vehicle providing a built-in charging grid that is activated when a Smartphone device is placed on the pad. The unit begins to charge when the vehicle is started. A phone case, specifically designed for a variety of smartphones, is required and included in the price. Use the voucher to redeem your specific case.

In-Vehicle Wireless Charging, inductive charger located in the armrest storage tray, same as production

Must be used with phone specific charging case. Currently available for iPhone 4/4s and Samsung Galaxy III. Universal Micro USB Adapter also available.

Install Time: 0.5 hrs.
