

## Carriers & Cargo Hauling Accessories - Racks & Carriers - Bicycle Carrier, Roof-Mount

Part Number TCFKM526

Roof-mount Bicycle Carriers are available in Fork-mount, Bed mount and Upright styles. The Fork-mount style carries one bike securely by front fork and rear wheel. The Upright style carries one bike locked by the frame with both wheels secured. Carrying clamps feature rubber inserts to help protect bike surfaces. Both styles attach to Sport-Utility Bars and two carriers can be used on one roof rack.

\*Some racks are in partnership with Thule, the leading US manufacturer of car rack system and are a Mopar® approved Specialty Accessory.

Bike Carrier, Fork Mount low-profile. Reinforced head combines aerodynamics, durability and style. Includes a SecureSkewer for fast loading and security. Tool-free universal mounting. Fits production cross rails or Mopar® roof racks.

Install Time: 0.5 hrs.
