

Carriers & Cargo Hauling Accessories - Racks & Carriers - Adapters, Rack & Carrier - Thule

Part Number TH982BFA

Adapter Kits for Mopar® Carriers facilitate integration with Production racks to handle those special circumstances such as bikes without horizontal crossbars or ski carriers mounted to Production Cross Rails. Mopar-Approved Specialty Accessory by Thule.

Bike Frame Adapter is installed on a bicycle between the front head tube and the seatpost to create a horizontal mounting bar for bicycles without a top tube. This adapter is intended to be used with a hanging style hitch mounted bicycle rack.

Install Time: 0.1 hrs.

Part specifications are subject to change without notice.
