## MOPAR® VALUE LINE WIPER BLADES

- Traditional Mopar® quality at a competitive price
- Natural rubber blades are treated with a UV coating to increase wipe quality, reduce noise and protect from damaging ultraviolet light rays
- Tested and approved by Chrysler Engineering

NOTE: Many blade parts are also available for purchase in bulk. For part numbers, simply replace the last two characters with a "BA" for bulk. For example, WB00021AA becomes WB00021BA.

## MOPAR® BEAM WIPER BLADES

### SUPERIOR ALL-WEATHER PERFORMANCE

- Skin coating seals the aerodynamic spoiler to protect it from the elements for superior all-weather performance
- With no exposed parts, Mopar Beam Blades resist snow and ice clogging for excellent performance in winter conditions
- Outperforms traditional blades in snow and ice wipe test

### AERODYNAMIC PROFILE

- Spoiler reduces windlift at higher speeds
- Provides quiet operation with less chatter
- Sleek, modern styling for today's vehicles

### EASY INSTALLATION

- Features a pre-assembled connector to fit the most popular wiper arm types right out of the package
