WHAT'S NEW

FROM MOPAR, 2008 FALL DATABOOK

NEW DATABOOK LAYOUT

You spoke. We listened. We've made the Databook even easier to use and parts easier to find by making a few changes. In the front we've provided you with a complete table of contents that lists all the parts in each section. A separate table of contents at the beginning of each of the sections lists just the parts in that section. You'll probably notice right away that the Databook is now divided into five sections by brand: Chrysler, Dodge Car, Dodge Truck, Jeep, and Additional. The parts are now organized by Group, Sub-Group and Part Name. This will keep common products together like Step Products, Off-Road Products, Hitches and Towing, etc. We plan to use the same groupings on Mopar.com and the new Electronic Accessory System (EASy). We have also labeled the accessory images so you can more easily match it to the part number. We hope you like the changes and keep the suggestions coming!

JEEP LIBERTY

This year is a new look for one of the best-selling mid-size SUVs in America and we have all the accessories your customers want to customize and personalize their new Liberty. Leading off is a list of chrome accessories your customers will be asking about such as Chrome Tubular Side Steps, Chrome Grille, Chrome Wheels, Chrome Mirror Covers, Chrome License Plate Brow and Chrome Front Air Deflector. Then there's the full-line of audio and electronic accessories including an iPod® Adapter, Rear View Camera, 10" Rear Seat Video, Navigation System, and the MyGig Audio System. Add some off-road accessories like Skid Plates and Heavy Duty Splash Guards, as well as a full complement of Racks and Carriers and trailer towing accessories and you've got just about everything your customers will want. Make sure you're familiar with the whole line of accessories available for Liberty ... your customers will thank you for it.

DODGE GRAND CARAVAN AND CHRYSLER TOWN & COUNTRY

America's favorite minivan has a new look and we have all the accessories your customers have come to expect plus a few surprises. One of the best-selling accessory areas for minivans is audio and electronics. Parents want to keep their passengers entertained to help make trips better for everyone. Tell your customers they can get that second 8" video screen or the 10" Rear Seat Video system from Mopar. Also available is the MyGig Multimedia Infotainment System along with an iPod Adapter and the Garmin™ nüvi® 250W Navigation System. Customers will want to know about the full line of exterior accessories available, such as Running Boards, Front Air Deflectors, Side Window Air Deflectors (for front and second row windows), and Splash Guards. You probably have a few tailgaters among your customers who will really appreciate the bumper-mounted table bracket to set up their Swivel 'n Go table for the big event. Vacationing families will need to get set up with trailer towing accessories and all the racks and carriers (roof-mount accessories only available for minivans with production roof racks). And to help your customers keep their minivans looking good inside, tell them about the Door Sill Guards as well as Premium Carpet Floor Mats and Slush Mats for every seating configuration and interior matching colors. With a lineup like this, there really is an accessory for every customer.

AUTHENTIC ACCESSORIES

2008 ACCESSORY OPTION PACKAGES

Familiarize yourself with all the Accessory Option Packages currently available. Your customers will benefit from your knowledge of what they can get on a new vehicle, installed and ready to roll. You can even create your own packages by ordering the same accessories and installing them at your store. Current packages include **Dodge Ram Quad Cab (ACZ)** with Chrome Tubular Side Steps and Chrome Bed Side Rails, **Dodge Ram Quad Cab (MRT)** with Chrome Tubular Side Steps, **Dodge Ram Quad Cab (AEE)** with Chrome Tubular Side Steps, Chrome Fuel Door, Chrome Exhaust Tip and Rear Wheel Well Liners, **Dodge Ram Quad Cab (MR7)** with Power Retractable Running Boards, **Dodge Dakota (MRT)** with Chrome Tubular Side Steps, **Jeep Compass Rallye Package (ASC)** – see above, **Jeep Wrangler (ALB)** with Black Tubular Side Steps, Black Fuel Door and Black Taillamp Guards, **Jeep Wrangler (AEE)** with Chrome Tubular Side Steps, Chrome Fuel Door, Chrome Taillamp Guards and Chrome Exhaust Tip.

BODY KITS

The Jeep Compass Rallye body kit takes a great-looking vehicle and makes it spectacular. The kit includes a full complement of body accessories including body color Side Sills, body color Front Fascia Appliqué, black honeycomb Lower Front Grille Insert, black Fog Lamp Bezels, Bumper-mounted Auxiliary Lamps, black Lens Cover with Jeep logo, body color Rear Spoiler, body color Rear Fascia Appliqué, black honeycomb Lower Rear Grille Insert, bright Exhaust Tip, 18" five-spoke, black with machined lip Wheels and Rallye badges. You can order this package by using the sales code ASC and the vehicle will arrive ready to sell or you can order each of the parts individually.

GRILLES

There's nothing like a Chrome Grille to set off the front end of your customers' vehicles. Our newest addition is the dazzling chrome Grille for the Jeep® Wrangler (as shown at right), but we have several styles of Grilles to fit many of our vehicles. Check out the Grilles for the Chrysler 300, Dodge Magnum, Dodge Charger, Dodge Ram, Dodge Dakota, Jeep Grand Cherokee, Jeep Commander and Jeep Liberty. Install some Grilles on your showroom vehicles and see how your customers react to them.

WHEELS

Wheels aren't new news, but they remain hot. And we are continuing to add new designs to help your customers personalize their vehicles. The especially hot designs are those that feature machined face/black painted pockets and the black painted face/machined pockets. Stay up-to-date on the latest wheel offerings from Mopar.

GARMIN™ nüvi® 250W NAVIGATION SYSTEM

Introducing the newest member of our Navigation team ... the Garmin™ nüvi® 250W! This unit, competitively priced at \$374 Dealer Net, can be used in any vehicle and requires no installation. It simply attaches to the windshield or IP and plugs into the 12V outlet. The antiglare widescreen display gives your customers the big picture. They can view map detail, driving directions, photos and more in bright, brilliant color. It also comes preloaded with City Navigator® NT street maps, including a hefty database of hotels, restaurants, fuel, ATMs and more. Your customers can simply touch the color screen to enter a destination, and Garmin will take them there with 2D or 3D maps and turn-by-turn voice directions.

HEATED SEATS

Your customers will be glad to be on the hot seat. This heated seat kit is sold in pairs for the front seats and includes three heat settings for optimal temperature control. Available for leather and cloth seats. Keep the suggestions coming!

REAR VIEW CAMERA

This system's 3 1/2-inch diagonal screen shows a view of what's behind your customer's vehicle and includes on-screen markers to help them determine their distance from an object.

BLIND SPOT DETECTION SYSTEM

No surprises here. The Blind Spot Detection System (BSDS) provides support in the area typically known as the "blind spot" – the limited area beside the vehicle. LED indicators located on the outside mirrors provide continuous visual feedback of approaching vehicles. The system can be easily enabled or disabled with a simple on/off switch.

PARKSENSE® REAR PARK ASSIST SYSTEM

This advanced system utilizes ultrasonic technology to assist your customers when slowly backing up their vehicle during parking maneuvers. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of six feet. Three different warning tones and a visual alert help identify the vehicle's distance to an object.

COMPASS/TEMPERATURE DISPLAY MIRROR

Your customers will like what they see with this rear view mirror, featuring a built-in compass, temperature display and automatic dimmer.

AUDIO/VIDEO & ELECTRONICS – Audio Accessories

iPod Integration

Simply plug your iPod into the custom cable located in the glove box and you're ready to go. iPod integration means you can navigate your iPod through your radio controls. With this simple "plug and play" hook up, your iPod stays securely attached, out of view and continually charging.

Hands Free Bluetooth Car Kit, Uconnect

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. For those select vehicles built in 2008, our UConnect kits now offer iPod integration

Note: Complete consumer support: 877-855-8400

AM/FM Navigation, CD with CD Changer Controls (RB1)

Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers full mapping and turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for points of interest and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the continental 48 States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio, a satellite receiver/antenna kit, installation kit, and subscription to the Sirius service is required.

Sirius Satellite Receiver System

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

AUDIO/VIDEO & ELECTRONICS – Remote Start

Remote Start, One Way

Mopar has a fully integrated, OEM tested remote start system that allows you to start your vehicle from as far away as 800 feet with just the push of a button. Imagine starting and warming your vehicle from your place of work or home on cold winter days, or cooling the same vehicle on hot summer days. Mopar's Remote Start system is designed to work with your Chrysler, Dodge and Jeep vehicle and interface seamlessly with your vehicle's electronic, security key.

Note: Technical assistance available (800) 34-Mopar. For component replacement, see section 01 in parts catalog.

AUDIO/VIDEO & ELECTRONICS – Remote Start

Remote Start , Two Way with Start Confirmation

Take the next step by upgrading Mopar's Remote Start System with a Two-Way Remote Start System. This system will control the remote starting of your vehicle and provide you with both audible and visual feedback (via a 2-button remote transmitter) when your vehicle starts, while it is running and when it turns off. Two-Way Remote Start can only be installed on vehicles equipped with an Automatic Transmission. This system is not compatible with Mopar's EVS Security Systems.

CARRIERS & CARGO HAULING – Hitches & Towing

Hitch Ball

Mopar Hitch Balls have a chrome finish and are made of heavy-duty forged steel with incorporated wrench flats that aid in installation and removal. Designed and tested to match the vehicle's towing requirements.

Note: Check state and local restrictions on the installation and use. Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

Hitch Ball Mount Adapter

Designed and tested to match your vehicle's towing capacity, Mopar's Ball Mount Kits are made of heavy-duty cold-rolled steel. E-coat primer and powder-coat paint provide a durable finish.

Note: Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

Bicycle Carrier, Hitch-Mount

Hitch-Mount Bicycle Carrier holds bikes securely off the back of your vehicle by mounting into a Hitch Receiver. The Carrier installs and removes in seconds, and also folds down to allow entry into the rear hatch. The Carrier holds any bike with a horizontal crossbar (men's style). Bikes without horizontal crossbars (women's style) require a Frame Adapter (sold separately-82207941). Carriers are available to hold two or four bikes.

Note: Not recommended for off road use.

Bicycle Carrier, Roof-Mount

Roof-Mount Bicycle Carriers come in Fork-mount and Upright style. The Fork-mount style carries one bike securely by front fork and rear wheel. The Upright style carries one bike locked by the frame with both wheels secured. Carrying clamps feature rubber inserts to help protect bike surfaces. Both styles attach to Sport-Utility Bars and two carriers can be used on one roof rack.

Note: Do not exceed roof capacity of vehicle.

Roof Box Cargo Carrier

This Roof Box Luggage Carrier adds additional cargo space to your vehicle with this tough, lockable, thermoplastic carrier that keeps cargo dry and secure regardless of the weather. It features a gas cylinder opening system that allows the hinged lid to open and close gently. Aerodynamic design limits wind resistance and provides sleek styling, perfect for luggage and sports equipment. Carrier attaches to a majority of the production Roof Rack Cross Rails. If not, Sport-Utility Bars or Removable Roof Rack (all sold separately) will be needed. T slot adapter may also need to be purchased.(all sold separately)

Note: Do not exceed roof capacity of vehicle.

Town & Country	2008	2008		24700 17" x 6.5" Chrome Clad Aluminum Wheel with Chrysler center cap, same as production	82210356	New 0.4	\$329.00

Wheel, 20 Inch

All 20 inch Mopar wheels are Chrome Plated, Polished, or a combination of polished and painted. Every wheel is treated with a durable clear coat to resist corrosion. Each wheel is constructed of either cast or forged aluminum. Like all Mopar wheels, these wheels are tested to rigid Chrysler standards. Wheels are sold individually with a center cap if required.

EXTERIOR PROTECTION – Air Deflectors

Front Air Deflector

Front Air Deflectors feature a wraparound style that creates an air stream to help direct insects and road spray up and away from the hood and windshield without adversely affecting wiper or washer operation. Constructed of shatter-resistant polymers and custom molded to complement front end styling.

EXTERIOR PROTECTION – Air Deflectors

Rear Air Deflector

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

Town & Country	2008	2005	A	7600 Two bins, Black with Mopar logo. Two Cargo Magic Cargo Loks with each bin.	82208771	0.0	\$108.00

INTERIOR ACCESSORIES – Storage

Cargo Bin, Third Row

The Stow 'n Go seating provides several feet of extra storage space. The Third Row Cargo Bin allows you to conveniently store items out of sight. This hard plastic cargo bin fills the third row seating bin. The bin is lightweight, removable, washable and includes two interior nets to create compartments. The lid fits securely on top of the bin. The vinyl-covered lid converts into a handy table. The carpeted lid matches your vehicle's carpet.

AUDIO/VIDEO & ELECTRONICS – Audio Accessories

iPod Integration

Simply plug your iPod into the custom cable located in the glove box and you're ready to go. iPod integration means you can navigate your iPod through your radio controls. With this simple "plug and play" hook up, your iPod stays securely attached, out of view and continually charging.

AUDIO/VIDEO & ELECTRONICS – Cellular Accessories

Hands Free Bluetooth Car Kit, Uconnect

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. For those select vehicles built in 2008, our UConnect kits now offer iPod integration

Note: Complete consumer support: 877-855-8400

AUDIO/VIDEO & ELECTRONICS – Radios

AM/FM Navigation, CD with CD Changer Controls (RB1)

Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers full mapping and turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for points of interest and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the continental 48 States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio, a satellite receiver/antenna kit, installation kit, and subscription to the Sirius service is required.

Sirius Satellite Receiver System

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

AUDIO/VIDEO & ELECTRONICS – Remote Start

Remote Start , Two Way with Start Confirmation

Take the next step by upgrading Mopar's Remote Start System with a Two-Way Remote Start System. This system will control the remote starting of your vehicle and provide you with both audible and visual feedback (via a 2-button remote transmitter) when your vehicle starts, while it is running and when it turns off. Two-Way Remote Start can only be installed on vehicles equipped with an Automatic Transmission. This system is not compatible with Mopar's EVS Security Systems.

Vehicle Application	MYO	MYI	Image	Part Description	Part Number	Instl Time	MSRP
All Dodge	2007	2007	A	7600 Install the added convenience of a Two-Way Remote Start. Requires purchase or existing installation of One-Way Remote Start system (82208859AB). Includes two-way DNA module, miniature fob with bi-color LED illumination and car find/panic mode alert tones	82209985AG	0.3	\$109.00
Caliber	2008	2008	A	7600 Install the added convenience of a Two-Way Remote Start. Requires purchase or existing installation of One-Way Remote Start system (82208859AB). Includes two-way DNA module, miniature fob with bi-color LED illumination and car find/panic mode alert tones	82209985AG	0.3	\$109.00

Remote Start Installation Kit

Remote Start Installation Kits are vehicle specific components and require Remote Start Module Kit (82208859AB). Remote Start can only be installed on vehicles equipped with an Automatic Transmission. This system is not compatible with Mopar's EVS Security Systems. Dodge Trucks with production Sentry Key also require a Sentry Key interface kit.

Note: Technical assistance available (800) 34-Mopar. For component replacement, see section 01 in parts catalog.

CARRIERS & CARGO HAULING – Hitches & Towing

Hitch Ball

Mopar Hitch Balls have a chrome finish and are made of heavy-duty forged steel with incorporated wrench flats that aid in installation and removal. Designed and tested to match the vehicle's towing requirements.

Note: Check state and local restrictions on the installation and use. Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

Trailer Tow Wiring Harness

Custom fit to Chrysler Corporation wiring specifications. Mopar wire connectors minimize the need for wire splicing and feature a protective wrapping that guards against weather and abrasion. Feature high quality connectors, and relays as necessary.

Note: Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

CARRIERS & CARGO HAULING – Racks & Carriers

Bicycle Carrier, Hitch-Mount

Hitch-Mount Bicycle Carrier holds bikes securely off the back of your vehicle by mounting into a Hitch Receiver. The Carrier installs and removes in seconds, and also folds down to allow entry into the rear hatch. The Carrier holds any bike with a horizontal crossbar (men's style). Bikes without horizontal crossbars (women's style) require a Frame Adapter (sold separately-82207941). Carriers are available to hold two or four bikes.

Note: Not recommended for off road use.

Bicycle Carrier, Roof-Mount

Roof-Mount Bicycle Carriers come in Fork-mount and Upright style. The Fork-mount style carries one bike securely by front fork and rear wheel. The Upright style carries one bike locked by the frame with both wheels secured. Carrying clamps feature rubber inserts to help protect bike surfaces. Both styles attach to Sport-Utility Bars and two carriers can be used on one roof rack.

Note: Do not exceed roof capacity of vehicle.

Cargo Carrier, Roof Top

This heavy-duty, black nylon carrier is weatherproof and secures to the roof rack with 4 strong adjustable tie down straps. Features a large covered zipper opening and sealed seams. Folds for convenient storage. Does not require sport utility bars, but does require 4 locations to secure the straps.

Note: Do not exceed roof capacity of vehicle.

CARRIERS & CARGO HAULING – Racks & Carriers

Roof Box Cargo Carrier

This Roof Box Luggage Carrier adds additional cargo space to your vehicle with this tough, lockable, thermoplastic carrier that keeps cargo dry and secure regardless of the weather. It features a gas cylinder opening system that allows the hinged lid to open and close gently. Aerodynamic design limits wind resistance and provides sleek styling, perfect for luggage and sports equipment. Carrier attaches to a majority of the production Roof Rack Cross Rails. If not, Sport-Utility Bars or Removable Roof Rack (all sold separately) will be needed. T slot adapter may also need to be purchased.(all sold separately)

Note: Do not exceed roof capacity of vehicle.

Rear Air Deflector

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

Cargo Area Tray, Carpeted (Cargo Magic)

Made of a full 14-ounce nylon carpet, this Cargo Area Tray is molded with raised edges to protect against and contain spills, dirt, grease and grime. It is custom molded to fit the exact contours of the cargo space, yet removes and installs in seconds for easy cleaning. Color matches the interior for a premium stylish look. Also equipped with Cargo Loks to help prevent items from moving around on the floor. Cargo Loks are made from high impact thermoplastic. Velcro hooks on the bottom grip securely to the surface of the Cargo Tray and can be easily adjusted to fit your needs.

OFF-ROAD & LIFESTYLE – Outdoors

Table Bracket

Move your Swivel 'n Go table from inside the vehicle to out of doors. This handy bracket easily mounts to the rear liftgate striker and securely holds the table for outdoor picnics and tailgating. Use only when vehicle is off and in park.

A

Vehicle Application	MYO	MYI	Image	Part Description	Part Number		Instl Time	MSRP
Grand Caravan	2008	2008	A	6900 Rear mount table bracket to hold Swivel 'N Go recreation table. Mounts to tailgate latch, used when tailgating.	82211483	New	0.1	\$99.00

Tent

Outdoor lovers can enjoy their vehicle to the max with this tent. The tent includes full rain fly, overhead storage net, inside pockets and storage bag. Tent attaches to the rear of your vehicle, creating extra storage space. Tent stands alone when detached from the vehicle if you need to drive away from the campsite.

AUDIO/VIDEO & ELECTRONICS – Audio Accessories

iPod Integration

Simply plug your iPod into the custom cable located in the glove box and you're ready to go. iPod integration means you can navigate your iPod through your radio controls. With this simple "plug and play" hook up, your iPod stays securely attached, out of view and continually charging.

AUDIO/VIDEO & ELECTRONICS – Backup/Driving Assistance

Park Distance Sensors

Park-Sense ultrasonic sensing technology assists you in slowly backing up your vehicle or during parking maneuvers. Four ultrasonic sensors are discreetly integrated into the rear bumper, activating an interior light/sound indicator when the vehicle is in reverse and detects an object.

AUDIO/VIDEO & ELECTRONICS – Cellular Accessories

Hands Free Bluetooth Car Kit, Uconnect

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. For those select vehicles built in 2008, our UConnect kits now offer iPod integration

Note: Complete consumer support: 877-855-8400

AM/FM Navigation with 6-Disc CD/MP3 Player (REC)

Navigation Radio (REC) combines a 5.8-inch full-color display, AM/FM Stereo Radio, Six-disc CD/MP3 player and navigation system that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for points of interest and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the continental 48 States and parts of Canada. The radio features 12 AM, 12 FM, and 12 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio, a satellite receiver/antenna kit and subscription to the Sirius service is required.

Sirius Satellite Receiver System

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

AUDIO/VIDEO & ELECTRONICS – Remote Start

Remote Start, One Way

Mopar has a fully integrated, OEM tested remote start system that allows you to start your vehicle from as far away as 800 feet with just the push of a button. Imagine starting and warming your vehicle from your place of work or home on cold winter days, or cooling the same vehicle on hot summer days. Mopar's Remote Start system is designed to work with your Chrysler, Dodge and Jeep vehicle and interface seamlessly with your vehicle's electronic, security key.

Note: Technical assistance available (800) 34-Mopar. For component replacement, see section 01 in parts catalog.

Remote Start , Two Way with Start Confirmation

Take the next step by upgrading Mopar's Remote Start System with a Two-Way Remote Start System. This system will control the remote starting of your vehicle and provide you with both audible and visual feedback (via a 2-button remote transmitter) when your vehicle starts, while it is running and when it turns off. Two-Way Remote Start can only be installed on vehicles equipped with an Automatic Transmission. This system is not compatible with Mopar's EVS Security Systems.

CARRIERS & CARGO HAULING – Hitches & Towing

Diesel Exhaust Brake

Diesel Exhaust Brake for Cummins Turbo Diesel Engines is now available for 2006/2007 model year Automatic and 2005/2007 model year Manual Transmissions. An electronically controlled valve is placed in the exhaust system to generate backpressure, slowing your engine, drivetrain and vehicle. Brake helps save on brake pad and rotor life, provides increased driving control when towing and/or driving in hilly areas and helps warm the cab in twice the time. Designed and tested by Dodge, Cummins & Jacobs.

CARRIERS & CARGO HAULING – Hitches & Towing

Hitch Gooseneck

Mopar's new Gooseneck Trailer Hitch mounts securely in the pickup bed using an installation kit that attaches directly to the frame rails under the bed. Gooseneck Trailer Ball is locked into place with a simple quarter-turn that helps to avoid coupler binding and stows in the hitch when not in use maximizing payload capabilities. Compatible with Mopar Bedliners, BedRugs and Wheel Well Liners.

CARRIERS & CARGO HAULING – Racks & Carriers

Bicycle Carrier, Bed-Mount

Bed-Mounted Bike Carriers come in Fork-mount and Upright style. The Fork-mount style carriers one bike securely by front fork and rear wheel. The Upright style carriers one bike locked by the frame with both wheels secured. Carrying clamps feature rubber inserts to help protect bike surfaces. Both styles attach to Sport Utility Bars and two carriers can be used on one rack.

Bicycle Carrier, Hitch-Mount

Hitch-Mount Bicycle Carrier holds bikes securely off the back of your vehicle by mounting into a Hitch Receiver. The Carrier installs and removes in seconds, and also folds down to allow entry into the rear hatch. The Carrier holds any bike with a horizontal crossbar (men's style). Bikes without horizontal crossbars (women's style) require a Frame Adapter (sold separately-82207941). Carriers are available to hold two or four bikes.

Note: Not recommended for off road use.

CARRIERS & CARGO HAULING – Tie Downs & Restraints

Bed Extender

Made of tubular aluminum, the Bed Extender attaches to the rear of the bed and pivots in and out for added storage and convenience. Flipped inward, it's a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area of the tailgate, increasing the overall capacity of the bed. The Bed Extender also features two molded in grocery bag hooks/hangers.

Running Board, Power

Automatic Power Running Boards retract from a hidden position under the truck when the front or rear doors are opened and return when doors are closed. Power Running Boards feature skid-resistant stepping surface that provides traction when entering or exiting the truck. Black powder-coated finish resists corrosion, pitting, peeling and scratches. Motor and control components are protected from the elements by a weather tight housing.

Side Steps, Powered

Automatic powered side steps extend when door is opened and retracts when door is closed. Skid-resistant step surface provides traction when entering or exiting the truck. Silver Powder-coated finish resists corrosion, pitting, peeling and scratches. Motor and control componets are protected from the elements by a weather tight housing.

Vehicle Application	MYO	MYI	Image	Part Description	Part Number	Instl Time	MSRP
Ram (excl Chassis)	2008	2006		47700 Power Side Step, electric, step retracts when front doors are opened or closed (pair of steps, for Regular and Quad Cab)	82208407	2.0	\$635.00

Side Steps, Tubular

Premium Tubular Side Steps are constructed of lightweight anodized aluminum or powder-coated steel. True Tubular Side Steps are mandrel bent to ensure the steps maintain a consistent diameter. Premium Side Steps include molded end caps to accent your vehicles styling. Both Premium and True Tube Side Steps provide wide skid-resistant stepping surfaces for easy vehicle entry and exit. On Jeep Wrangler, Side steps mount in the same holes as the rock rails, so both Rock Rails and Side Steps cannot be used together.

EXTERIOR PROTECTION – Bed Protection

Bed Liner, Over-the-Rail

Mopar's Skid Resistor (2X's more skid resistance) Over-the-Rail Bed Liners and Tailgate Covers are custom tailored to your Truck's box and side rails. Tailgate Covers feature built-in cup holders. Molded of a blend of rubber and polyethylene with a ribbed design to promote water drainage from the bed and provide full use of the integrated vertical and horizontal board dividers. Mopar Over-the-Rail Bed Liners extend the beds protection over the bed rails.

Note: To order, please call (800) OE-LINER. Trucks with aluminum Tonneau Covers require Bedliner modification due to bracket interference.

EXTERIOR PROTECTION – Bed Protection

Bed Rug

Bed Rugs are manufactured with a plastic foam backing that conforms exactly to floor ribs and will not scratch truck beds. The solid plastic polymer surface is stain resistant from fluid, oil, gas and grease. Acids, solvents, chemical compounds and petroleum products will not damage the carpet-like exterior plastic fiber surface or foam bottom. Bed Rug floor, walls, tailgate and headwall are heat and pressure molded specifically to fit your vehicle.

EXTERIOR PROTECTION – Covers

Front End Cover

Front End Covers help protect from bugs, dirt and other road debris. Designed to securely fit the contours of the front end, this high quality cover features two-piece construction to allow the hood to be opened without removing the cover. Black vinyl material with 22-ounce foss polyester backing will not harm painted surfaces.

Tonneau Cover, Hard - Folding

This Hard Folding Tonneau Cover is lightweight and made with a durable aluminum frame. The structural foam panels are rust and corrosion resistant and features a patented four-panel design. Opening and stacking the hinged cover from the rear is a simple two-step process that takes just seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mount locks (front and rear) secures both tailgate and cover.

Note: Not for use with Over-The-Rail Bedliners

INTERIOR ACCESSORIES – Storage

Compartment Partition

Black steel partition helps keep cargo and pets safe and secure in the cargo area and prevents either from entering the passenger compartment. Features grid construction that does not affect rearview mirror visibility or ability to fold down rear seat. Custom fit to match the vehicle's interior. When applicable, the Lower Compartment Partition must be used with Upper Compartment Partition. Simple hand tools required for removal.

A

OFF-ROAD & LIFESTYLE – Protection and Skid Plates

PTO Cover Kit

The PTO Cover Kit is designed for Cab Chassis with automatic transmissions that were not manufactured with a PTO Prep Kit (Sales Code LBN) from the assembly plant. Cab Chassis equipped with a manual transmission that were not manufactured with the factory PTO Prep Kit (Sales Code LBN), do not require the PTO Cover Kit, but do require a Clutch Upstart Switch (PN 05026273AB). PTO Cover Kit provides the necessary clearance to install a Power Take Off unit. PTO Cover Plate is e-coated to provide corrosion resistance. For Technical Assistance, please contact the Commercial Vehicle Team at (866) 205-4102.

UNDER CAR & HOOD – Heater

Engine & Cabin Heater

Mopar Diesel Engine and Cabin Heaters warm your vehicles engine and passenger compartment for convenience and easier engine starting. Mopar's Engine and Cabin Heaters features a 24-hour programmable timer, low voltage shut-off, automatic high and low temperature heat control settings for fuel efficiency and internal thermostat to automatically shut-off when coolant reaches temperature (175 degrees). This heater system also operates the vehicles blower motor to warm the passenger cabin and defrost the windows.

AUDIO/VIDEO & ELECTRONICS – Audio Accessories

iPod Integration

Simply plug your iPod into the custom cable located in the glove box and you're ready to go. iPod integration means you can navigate your iPod through your radio controls. With this simple "plug and play" hook up, your iPod stays securely attached, out of view and continually charging.

AUDIO/VIDEO & ELECTRONICS – Backup/Driving Assistance

Park Distance Sensors

Park-Sense ultrasonic sensing technology assists you in slowly backing up your vehicle or during parking maneuvers. Four ultrasonic sensors are discreetly integrated into the rear bumper, activating an interior light/sound indicator when the vehicle is in reverse and detects an object.

Hands Free Bluetooth Car Kit, Uconnect

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. For those select vehicles built in 2008, our UConnect kits now offer iPod integration

Note: Complete consumer support: 877-855-8400

AM/FM Navigation, CD with CD Changer Controls (RB1)

Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers full mapping and turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for points of interest and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the continental 48 States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio, a satellite receiver/antenna kit, installation kit, and subscription to the Sirius service is required.

AUDIO/VIDEO & ELECTRONICS – Radios

Sirius Satellite Receiver System

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

AUDIO/VIDEO & ELECTRONICS – Remote Start

Remote Start, One Way

Mopar has a fully integrated, OEM tested remote start system that allows you to start your vehicle from as far away as 800 feet with just the push of a button. Imagine starting and warming your vehicle from your place of work or home on cold winter days, or cooling the same vehicle on hot summer days. Mopar's Remote Start system is designed to work with your Chrysler, Dodge and Jeep vehicle and interface seamlessly with your vehicle's electronic, security key.

Note: Technical assistance available (800) 34-Mopar. For component replacement, see section 01 in parts catalog.

Remote Start , Two Way with Start Confirmation

Take the next step by upgrading Mopar's Remote Start System with a Two-Way Remote Start System. This system will control the remote starting of your vehicle and provide you with both audible and visual feedback (via a 2-button remote transmitter) when your vehicle starts, while it is running and when it turns off. Two-Way Remote Start can only be installed on vehicles equipped with an Automatic Transmission. This system is not compatible with Mopar's EVS Security Systems.

CARRIERS & CARGO HAULING – Hitches & Towing

Hitch Ball

Mopar Hitch Balls have a chrome finish and are made of heavy-duty forged steel with incorporated wrench flats that aid in installation and removal. Designed and tested to match the vehicle's towing requirements.

Note: Check state and local restrictions on the installation and use. Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

CARRIERS & CARGO HAULING – Racks & Carriers

Bicycle Carrier, Hitch-Mount

Hitch-Mount Bicycle Carrier holds bikes securely off the back of your vehicle by mounting into a Hitch Receiver. The Carrier installs and removes in seconds, and also folds down to allow entry into the rear hatch. The Carrier holds any bike with a horizontal crossbar (men's style). Bikes without horizontal crossbars (women's style) require a Frame Adapter (sold separately-82207941). Carriers are available to hold two or four bikes.

Note: Not recommended for off road use.

Bicycle Carrier, Roof-Mount

Roof-Mount Bicycle Carriers come in Fork-mount and Upright style. The Fork-mount style carries one bike securely by front fork and rear wheel. The Upright style carries one bike locked by the frame with both wheels secured. Carrying clamps feature rubber inserts to help protect bike surfaces. Both styles attach to Sport-Utility Bars and two carriers can be used on one roof rack.

Note: Do not exceed roof capacity of vehicle.

Freedom Top Carrier

Spare Tire Mounted Freedom Top Panel Carrier. This unique carrier stows one or both Freedom tops for easy access. This allows owners to stow or install the Freedom tops as desired and frees up interior storage space. Panels are held in padded carrier and strapped into place. To protect and keep the freedom top panels clean, we recommend the cloth storage bag as well. (82210325)

CARRIERS & CARGO HAULING – Racks & Carriers

Roof Box Cargo Carrier

This Roof Box Luggage Carrier adds additional cargo space to your vehicle with this tough, lockable, thermoplastic carrier that keeps cargo dry and secure regardless of the weather. It features a gas cylinder opening system that allows the hinged lid to open and close gently. Aerodynamic design limits wind resistance and provides sleek styling, perfect for luggage and sports equipment. Carrier attaches to a majority of the production Roof Rack Cross Rails. If not, Sport-Utility Bars or Removable Roof Rack (all sold separately) will be needed. T slot adapter may also need to be purchased.(all sold separately)

Note: Do not exceed roof capacity of vehicle.

EXTERIOR ACCESSORIES – Bumpers

Off-Road Bumper

Steel high clearance bumpers are tough and heavily gusseted for strength and tough looks. The front bumper is fully impact tested to be compatible with your vehicle's airbag system. The front bumper features a integrated winch mount, fog light mounts, and tubular grille guard. It is wide enough to provide fender protection but is narrower than the stock bumper. The Winch is mounted low for protection, and does not restrict engine cooling. The rear bumper is styled to match the front and allows the use of production tow hooks and hitch receiver. The rear bumper also features tow eyes. The textured Black finish is E-coated and powder coated to meet the industry's toughest corrosion requirements. The Jeep logo is laser cut into both bumpers. Functional and Strong, these bumpers are just the ticket for your off road customers!

Note: These products are designed to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.

Wheel Lock

Wheel Locks (available for most models) and exclusive Mopar key codes helps ensure maximum protection. Available in one- and two-piece styles, for both steel and aluminum wheels. Each Wheel Lock kit includes four or five chrome-plated locking nuts, and one exclusive Mopar key. Wheel Lock kits help protect against wheel and tire theft without effecting wheel balance.

Liberty	2007	2005	A	27700 Black Steel decorative Side Rail	82209296	1.0	\$369.00
Liberty	2007	2005	A	30000 Polished Stainless Steel decorative Side Rail	82209297	1.0	\$400.00

Side Steps, Factory Style

These Molded Side Steps are the production steps included on Sahara and optional on SE and Sport models. Made from durable black plastic with steel substructures, they provide stepping surface for easier entry and exit on Wrangler.

Vehicle Application	MYO	MYI	Image	Part Description	Part Number	Instl Time	MSRP
Wrangler 2 Door	2008	2007		19300 2 door Production Side Step Kit	82210565	0.5	\$257.00
Wrangler 4 Door	2008	2007		24200 4 door Production Side Step Kit	82210571	0.5	\$322.00

EXTERIOR ACCESSORIES – Running Boards & Side Steps

Side Steps, Tubular

Premium Tubular Side Steps are constructed of lightweight anodized aluminum or powder-coated steel. True Tubular Side Steps are mandrel bent to ensure the steps maintain a consistent diameter. Premium Side Steps include molded end caps to accent your vehicles styling. Both Premium and True Tube Side Steps provide wide skid-resistant stepping surfaces for easy vehicle entry and exit. On Jeep Wrangler, Side steps mount in the same holes as the rock rails, so both Rock Rails and Side Steps cannot be used together.

EXTERIOR PROTECTION – Air Deflectors

Rear Air Deflector

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

EXTERIOR PROTECTION – Covers

Front End Cover

Front End Covers help protect from bugs, dirt and other road debris. Designed to securely fit the contours of the front end, this high quality cover features two-piece construction to allow the hood to be opened without removing the cover. Black vinyl material with 22-ounce foss polyester backing will not harm painted surfaces.

EXTERIOR PROTECTION – Covers

Vehicle Cover

Vehicle Cover helps protect your vehicle's finish from UV rays, dirt and other airborne pollutants. Made of premium material (Evolution®, Weathershield® or Matrix®) that is washable, heavy weight, breathable and water resistant. Custom contoured, these covers feature double-stitched seams and elasticized bottom edges at the front and rear. Clear rear license plate window, tie-down grommets and mirror pockets are standard.

Note: Evolution, Weathershield and Matrix are registered trademarks of Kimberly-Clark Corporation.

EXTERIOR PROTECTION – Covers

Vehicle Cover, Cab

Weather-resistant high quality nylon cap in Black or Silver fits snugly over your Wrangler's hard or soft top. Silver color is a sun reflective material that reduces interior temperatures and sun fading. Great for sunny climates. Also will fit with top off to help keep interior clean and dry. Elastic loops attach around taillights and mirrors, and includes two integrated cords that attach to the Jeep to secure the cover under the door area. Folds into a small snap closure storage bag that is included.

iPOD™ ADAPTERS

iPOD® INTEGRATION

Simply plug your iPod into the custom cable located in the glove box and you're ready to go. iPod integration means you can navigate your iPod through your radio controls. With this simple "plug and play" hook up, your iPod stays securely attached, out of view and continually charging.

iPOD® INTERFACE

iPod Interface Kit allows you to play your iPod music files directly through your vehicle's audio system. Simply plug your iPod into the custom cable. You control your music selection through your iPod control wheel.

SATELLITE RADIO

RECEIVER SYSTEMS

In-vehicle entertainment has evolved with another innovative product from MOPAR. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

INSTALLATION KITS

Mopar Sirius Satellite Radio installation kits are designed specifically for your vehicle.

UCONNECT®

This voice-activated, in-vehicle communication system utilizes a small control pad, microphone and speaker to allow you to dial a wireless phone through simple voice commands.

DESIGN YOUR OWN TIRE COVER

Silkscreen Artwork Instructions:

- Create text and art in a circle (see figure at right)
- Ensure that you have included all punctuation and that your spelling and abbreviations are correct
- Place any registered logos, if desired (Chrysler, Jeep)
- Indicate desired color(s) for one- or three-color silkscreen
- Only part numbers listed on this order form can be used for the dealer tire cover program
- Send artwork on disk (with hard copy) or separations with completed copy of order form to:

American Stitchco, Inc.
 4662 Hwy. 62 West
 Mountain Home, AR 72653
 Attn: Chuck Abel
 Phone No: 1-800-903-5667
 Fax No. 870-425-4900

- If you have no artwork or just an idea, just mail or fax completed order form, with sketch or description of your idea, to the address above. Let our full-service graphic arts department help in the completion of your order. For prices on artwork, separations and screens refer to the chart below. Artwork, separation, and screen charges are to be paid in advance of order completion and will be billed directly to your dealership. These are one-time charges, unless you change your design after the completion of this order.

ARTWORK AND SILKSCREEN CHARGES			
SERVICE	DESCRIPTION	COST	NOTE
Artwork	Artwork, if provided, must be vector based, e-mail to cabel@stitchco.com or mailed on a 3.5 computer floppy disk or CD (with hard copy included). Acceptable file extensions are: .ai, .eps, .cdr. No bitmaps.	\$60.00	Send us a fax of your idea for tire cover artwork and we will be glad to give you a quote.
Film Separations	Film positives with good resolution and density at the same size that will appear on the tire cover. Multi-color separations need to have ample amount of trap on preceding orders.	\$60.00	Usefulness of customer-provided separations will be determined by the vendor.
Screen Rental & Exposure	Extensive variables in screen production, such as mesh count, frame size, emulsion type, and mesh tension, prohibit the usage of customer-provided screens.	\$20.00 per screen	This cost includes screen stretch, coating, exposure, and maintenance.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

IV. WHAT IS WARRANTED

1. MOPAR ACCESSORIES, AND AUDIO PRODUCTS AND ELECTRONIC ACCESSORIES SYSTEMS LIMITED WARRANTY

MOPAR Accessories, Audio Products and Electronic Accessories installed on a Chrysler, Jeep or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer are covered either by the 12-month/12,000-mile MOPAR Basic Limited Warranty, or by the remainder of the 3-year/36,000-mile Basic New Vehicle Limited Warranty, whichever is more favorable to the customer.

2. MOPAR PARTS BASIC 12-MONTH/12,000-MILE WARRANTY

- a. Except as listed above, MOPAR parts **sold over the counter or wholesaled** are warranted against defects in workmanship or materials for 12 months/unlimited mileage for parts (exchange) only. Parts installed on a Chrysler, Jeep or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer are warranted for 12 months/12,000 miles for both parts and labor, or for 12 months/unlimited mileage for parts (exchange) only, whichever is more favorable to the customer.
- b. 12-month/12,000-mile MOPAR Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler, Jeep or Dodge dealer if the failure of a covered part causes the vehicle to be inoperative.
- c. If a MOPAR part is installed in a Chrysler, Jeep or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a Chrysler Motors warranty at the time of failure. A MOPAR part user to replace a failed MOPAR part that is still under warranty is covered **ONLY** for the remainder of the replacement part's existing warranty.
- d. MOPAR Gaskets and Seals are sold "AS IS" without warranty of any kind.
- e. MOPAR Performance Parts (shown by a MOPAR part number beginning with the letter "P") are sold "AS IS" without warranty of any kind by Mopar.

3. MASTER SHIELD® RUST PROTECTION LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Rust Protection treatment is warranted for the registered lifetime of the new vehicle, provided that the:

- vehicle does not exceed 11,000-lb gross vehicle weight
- Master Shield treatment was properly applied within three months of the new vehicle's original in-service date

Chrysler Motors LLC warrants that if any part of a new vehicle properly treated with Master Shield Rust Protection rusts through (is perforated from inside out), Chrysler will repair and/or replace the damaged part(s) at no charge, up to a cumulative limit of \$2,000 in combined parts and labor costs per vehicle.

NOTE: This warranty does NOT apply to surface or cosmetic rust; rust caused by external damage from dents, scratches, chipped paint or surface rust resulting from other internal cavity perforation; wear and tear from normal driving; vehicles not continuously registered for road use; vehicle manufacturer's defects; the vehicle's exhaust system; vehicle's floor pans load area of commercial vehicles; pickup truck bed areas; defects covered by a dealer's or manufacturer's New Vehicle Limited Warranties; or vehicles not inspected as required by Master Shield Rust Protection Procedures and Warranty book. Only the selling dealer may validate a Master Shield warranty.

4. MASTER SHIELD PAINT SEALANT LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Paint Sealant treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield sealant was properly applied within 60 days of the vehicle's original in-service date
- damage to the exterior finish is reported immediately to a participating Master Shield dealer, who follows the proper claims-processing procedure

Chrysler Motors LLC warrants to the first registered owner of a treated vehicle that if, within three years of the sealant's application on any properly-treated exterior finish, the vehicle is damaged by weather-induced discoloration, loss of gloss or fading, Chrysler Motors will repair and retreat the damaged area(s) free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is prior authorized by Chrysler Motors LLC. This warranty is not transferable.

NOTE: This warranty does NOT apply to damage caused by owner negligence, carelessness or failure to use prescribed maintenance steps; damage caused by collision, fire, stone, or similar objects causing a break or puncture of the sealant; damage from acid rain, smog, industrial fallout, or paints coming in contact with vehicle's surface paint; or damage caused by any modification or alteration to the vehicle's surface.

5. MASTER SHIELD® FABRIC PROTECTOR LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Fabric Protector treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield treatment was properly applied within 30 days of the new vehicle's original in-service date
- the vehicle was at no time in commercial use

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

- any damage to the interior cloth or velour surfaces is inspected by a participating Master Shield dealer and a representative of the Warranty Record Center

Chrysler Motors LLC warrants that if any interior cloth or velour surface treated with Master Shield Fabric Protector becomes permanently stained from water, coffee, soda, milk or similar liquids, Chrysler Motors will clean and re-treat the damaged surfaces free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is previously authorized by Chrysler Motors LLC. This warranty is not transferable.

NOTE: This warranty does NOT apply to vehicles used for commercial purposes (except Gold Key Lease[®] Vehicles); to carpets or floor mats; to damage caused by defects in the material or workmanship of the cloths used; to damage caused by owner negligence, carelessness or improper maintenance; or to damage caused by acid, dye, ink, bleach, gums, paints, lubricants, or caustic or corrosive materials.

6. MASTER SHIELD LIMITED WARRANTY (WISCONSIN)

These conditions are applicable to the Master Shield Limited Warranty issued in Wisconsin and supersede anything inconsistent in the standard warranty language found on the following pages. All other standard warranty terms and conditions herein contained apply. All other standard warranty terms and conditions herein contained apply.

The Master Shield Limited Warranty is a two-year warranty renewable for the life of the vehicle if the required free inspections are made. Registration of the warranty is not a condition precedent to your limited warranty coverage nor are manufacturer defects excluded, except for such defects that would be covered under the Chrysler LLC new vehicle warranty.

Chrysler Insurance Company, 27777 Franklin Road, Southfield, MI 48034, provides Master Shield with product guarantee legal liability insurance. The warrantor is Chrysler LLC, 26311 Lawrence Avenue, Center Line, MI 48015.

For warranty information, claims and adjustments, contact the selling dealer or any participating Master Shield dealer. If dealer is not available, contact 1-800-776-7556.

7. MOPAR BEDLINER LIFETIME LIMITED WARRANTIES

MOPAR replacement Mufflers, Shocks, Struts, and Pickup Truck Bed Liners sold by an authorized Chrysler, Jeep or Dodge Dealer are warranted against defects in workmanship or materials for the lifetime of the vehicle on which they are installed. This warranty is given only to the original retail purchaser, and is not transferable.

V. HOW TO OBTAIN MOPAR WARRANTY SERVICE

Where both parts and labor are covered warranty items, repairs will be made by any Chrysler, Jeep or Dodge dealer at no charge. Where parts only are covered, any Chrysler, Jeep or Dodge dealer will provide replacement parts at no charge. It is recommended that you take your Chrysler, Jeep or Dodge vehicle to your selling dealer or to the dealer who sold or installed your MOPAR part or accessory. However, you may obtain replacement parts or service under warranty from any authorized Chrysler, Jeep or Dodge dealer. Except in an emergency, warranty service for MOPAR Panels may be obtained ONLY at an authorized Chrysler, Jeep or Dodge dealer.

VI. WHAT IS NOT COVERED

MOPAR warranties do not cover any non-Chrysler LLC or non-MOPAR parts, components or equipment, such as a non-MOPAR radio or speed control. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of non-Chrysler LLC or non-MOPAR parts, equipment, materials or additives.

MOPAR warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence, or misuse (for example, driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion or damage caused by the use of caustic materials.

MOPAR limited warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

MOPAR limited warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.

MOPAR warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

MOPAR warranties do not apply to parts installed on a vehicle, that has had its odometer or emissions systems tampered with or disconnected, or that has been declared to be a total loss by any insurance company, or is rebuilt after being declared to be a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. Chrysler Motors LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in the above paragraph.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

MOPAR Limited Warranties do NOT cover any incidental or consequential damages connected with the failure of the part under warranty. *Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue.* Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by Chrysler Motors LLC, as set forth in the New Vehicle Limited Warranty. If your new vehicle limited warranty is restricted by Chrysler Motors LLC, coverage under your MOPAR Parts and Accessories Limited Warranties may also be restricted or denied.

VII. OTHER TERMS

- a. To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed on a vehicle used primarily for business or commercial purposes, no implied warranties apply. **Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**
- b. These warranties are the only express warranties made by Chrysler Motors LLC for MOPAR Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.
- c. NO person, including a dealer or employee of Chrysler LLC or Chrysler Motors LLC, has the authority to vary or change these warranties.
- d. Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law.
- e. **These limited warranties give you specific legal rights and you may also have other rights which vary from state to state.**

NOTE: NOTE TO DEALER:

MOPAR WARRANTY REGISTRATION AND REPLACEMENT PROCEDURES

The Dealer must notify Chrysler LLC whenever you install an Upgrade Radio, Speed Control, Master Shield ® , EVS ® unit, or an Accessory. Transmit the vehicle option update information through DealerCONNECT. Choose Service then Vehicle Options under Claims section.

ATTENTION INTERNATIONAL DEALERS AND DISTRIBUTORS:

1. The accessories in this Catalog were designed, engineered and approved for use in the United States and may not comply fully with regulations in your country. Before ordering these accessories, please confirm that they meet all local regulations.
2. Special discounts, display items, promotional offers and supplier ship direct (SSD) shipments apply only to the United States.

MOPAR PERFORMANCE WARRANTY

NOTICE

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or element of design affecting emissions or safety on motor vehicles used for transporting persons or property on a public street or highway. Violation may result in a fine of up to \$27,500 per vehicle.

Mechanical and/or electronic performance parts listed in this catalog cannot be used on vehicles used on public streets or highways. These parts may be used only on vehicles used solely in sanctioned off-highway events. No other applications are intended or implied. Those parts that have been granted an exemption by the California Air Resources Board (CARB) or meet the EPA requirements of memorandum 1A are legal for highway use in California, New York and Massachusetts and are noted as such.

NO PARTS WARRANTY – “AS IS”

Mopar Performance parts are sold “as is” unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold). The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Dodge, Chrysler and Jeep® vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle’s warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle’s warranty, and any failure that they may cause is also not covered by the vehicle’s warranty.

EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles to be warranted for at least two years or 24,000 miles, whichever comes first. Federal and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways.

Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance with safety and/or emissions standards. Mopar recommends that vehicles with parts designated in this fashion not be operated on public roads. Mopar Performance customers are responsible for complying with applicable state and local environmental regulations.

Additionally, certain performance parts may affect the emissions characteristics of the vehicle. If you install them on the vehicle, and your vehicle consequently fails a required state or local I/M (inspection and maintenance) emissions test, including any test required to maintain or renew your vehicle’s registration, or if your vehicle is subject to an emissions recall, Chrysler LLC may not be required to repair your vehicle under the emissions performance warranty, and you may be required to remove those parts at your own expense in order to obtain repairs necessary to pass the I/M test or to perform the recall.

NOTE — CALIFORNIA ONLY

The emissions laws and regulations of the state of California apply to all non-racing vehicles operated in California. Consequently, those parts marked in this catalog with an asterisk and appropriately marked on their packaging may legally be used in California only on a racing vehicle that will never be operated on public roads.

PARTS ORDERING AND INQUIRIES

The parts in this catalog may be ordered from authorized Chrysler, Jeep and Dodge dealerships or the speed shops carrying the Mopar Performance line of products. When a part ordered has been superseded, the replacing part will be shipped automatically. The price of the replacing part may differ from the ordered part.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler LLC reserves the right to make changes at any time, without notice or obligation, to the information contained on this printed document, including and without limitation to prices, specifications, equipment, colors, materials, and to change or discontinue products.
