MOPAR MERCHANDISING MATERIALS

Available Through **DIAL**

- For speed and convenience, Mopar Merchandising Materials on this Order Form can be ordered through DIAL
- Order materials direct from Mopar as you need them. Input your order as you would a normal weekly stock order or a Daily or Special Handling parts order
- Increase sales and profits with Mopar Merchandising Support Materials

NOTE: Your parts account will be billed for any chargeable items.

Jeep, EVS II, IT-s and Master Shield are trademarks of DaimlerChrysler.

IMPRINTED TIRE COVER PROGRAM

MOPAR IMPRINTED TIRE COVER PROGRAM INSTRUCTIONS

Available in one- or three-color letter imprint
 Fits tire sizes P215/P225 X R15 GSA
 Economy cover also available to fit LT30 X 9.50

The following tire covers are available for dealership imprints, with your design

One-color design — ink color — pick one							Tire Covers with Dealer One-color Imprint					
Black	White	Yellow	Red	Magenta	Blue	Green	Tire size	Color	Vinyl Finish	Part Number	Dir Cost (per piece)	Ord Qty. (Min. 25 per Part #)
							215/225 X 15	Black	Leather	82203735	\$19.00	
							LT 30 X 9.50	Black	Leather	82203376	\$28.00	
							215/225 X 15	Black	Denim	82203736	\$28.50	
							215/225 X 15	White	Denim	82203737	\$30.00	
							215/225 X 15	Spice	Denim	82203738	\$30.00	
							215/225 X 15	Tan	Denim	82204565	\$30.00	
Three-color design — ink color — pick three							Tire Covers with Dealer Three-color Imprint					
Black	White	Yellow	Red	Magenta	Blue	Green	Tire size	Color	Vinyl Finish	Part Number	Dir Cost (per piece)	Ord Qty. (Min. 25 per Part #)
							215/225 X 15	Black	Leather	82203739	\$19.00	
							LT 30 X 9.50	Black	Leather	82203377	\$28.00	
							215/225 X 15	Black	Denim	82203740	\$28.50	
							215/225 X 15	White	Denim	82203741	\$30.00	
							215/225 X 15	Spice	Denim	82203742	\$30.00	
							215/225 X 15	Tan	Denim	82204566	\$30.00	

Prices listed are for printed tire covers only. Artwork, separation, and screen charges listed on the last page.

Dealer Instructions (Orders of 1-24 pieces in any part number will not be accepted):

- 1) Select one- or three-color Imprinting.
 - 2) Select ink color(s) for your design.
- Note: For three-color design indicate color(s) for each word and object on artwork supplied.
- 3) Fill in order quantity (minimum of 25 per part number).
 - 4) Sign this page at bottom.
 - 5) Fill in information form on the last page.
 - 6) Using part numbers listed, place order on DIAL.
 - 7) Send a copy of worksheets and any artwork or separations to:

American Stitchco, Inc.
 421 West Wade
 Mountain Home, AR 72653
 Attn: Chuck Abel

DESIGN YOUR OWN TIRE COVER

Silkscreen Artwork Instructions:

- Create text and art in a circle (see figure at right)
- Ensure that you have included all punctuation and that your spelling and abbreviations are correct
- Place any registered logos, if desired (Chrysler, Plymouth, Jeep)
- Indicate desired color(s) for a one- or three-color silkscreen
- Only part number list on this order form can be used for the dealer tire cover program
- Send artwork on disk (with hard copy) or separations with completed copy of order form to:

American Stitchco, Inc.
421 West Wade
Mountain Home, AR 72653
Attn: Chuck Abel
Phone: 1-800-903-5667 Fax: 870-425-4900

- If you have no artwork or just an idea, just mail or fax completed order form, with sketch or description of your idea, to the address above. Let our full-service graphic arts department help in the completion of your order. For prices on artwork, separations and screens refer to the chart below. Artwork, separation, and screen charges are to be paid in advance of order completion and will be billed directly to your dealership. These are one-time charges, unless you change your design after the completion of this order

ARTWORK AND SILKSCREEN CHARGES

SERVICE	DESCRIPTION	COST	NOTE
Artwork	Artwork, if provided, must be on a 3.5-inch computer floppy disk (with a hard copy included). Acceptable file extensions are: .bmp .tif .pcx .ai .eps .cdr. Bitmaps must be of high resolution and at least 75% of final image size separations, if provided, must be right reading, emulsion up	\$20.00 per hr	Send us a fax of your idea for tire cover artwork and we will be glad to give you a quote.
Film Separations	Film positives with good resolution and density at the same size will appear on the tire cover. Multi-color separations need to have ample amount of trap on preceding orders	\$60.00 Per color	Usefulness of customer provided separations will be determined by the vendor.
Screen Rental & Exposure	Extensive variables in screen production, such as mesh count, frame size, emulsion type, and mesh tension, prohibit the usage of customer provided screens	\$20.00 per screen	This cost includes screen stretch, coating, exposure, and maintenance.

As part of the DaimlerChrysler family, Mopar makes Original Equipment parts and accessories for Chrysler, Plymouth, Dodge and Jeep vehicles. This means that the same corporate team that designed these vehicles has created the accessories featured in this Data Book — utilizing the original designs and specifications. The result? Mopar Accessories that meet a higher standard than aftermarket accessories. Accessories with not just

THE MOPAR DIFFERENCE

level of detail and thought that creates accessories with a real Mopar Difference. A difference in fit. In engineering. In testing. In materials. In safety standards. Even a difference in the way Mopar Accessories are designed to install on the vehicles.

In short, it's a Mopar Difference, in each one of the accessories featured in these pages, that you'll recognize — and appreciate — for years down the road.

an attention to detail, but a dedication to detail. It's this

Materials Testing
Design Installation
Fit Safety

Mopar **Rear Spoilers** must pass many rigorous tests to ensure that they maintain their good looks and do not adversely affect the performance of the vehicle. Testing under extreme hot and cold temperatures checks the Rear Spoilers' ability to withstand severe conditions without cracking. Weather-resistance tests ensure that the spoiler will maintain its premium finish in any climate. Pull tests help ensure that spoilers won't loosen or vibrate. Several other tests make certain that the weight of the spoiler does not affect normal deck lid operation, or compromise the integrity of the deck lid's hinges, latches and lock. Mopar Rear Spoilers, like all Mopar Accessories, are designed and tested for a seamless integration with DaimlerChrysler vehicles.

See Rear Spoilers for more information

Mopar **Brush Guards and Grille Guards** are designed using advanced engineering software that allows engineers to exactly match the front end of any Dodge truck. However, it's more than a perfect fit. Mopar Deluxe Tubular Brush Guards and Grille Guards feature injection-molded ABS plastic components that ensure sturdy construction and a blemish-free surface.

Tubular Brush and Grille Guards are fashioned from heavy-gauge steel, then formed with an advanced mandrel tube-bending technology for a wrinkle-free appearance. The chroming process then includes more nickel to help prevent rust and finish cloudiness.

Furthermore, because Mopar Brush and Grille Guards are engineered by the same corporate team as Dodge Trucks, they're designed to meet Federal Motor Vehicle Safety Standards for occupant protection as well as Federal Vehicle Lighting Requirements. Aftermarket manufacturers may not be subject to these same standards!

See Brush and Grille Guards for more information

Electronic Accessories from Mopar are designed, and thoroughly tested, to guarantee compatibility with DaimlerChrysler electrical systems. Whether you upgrade your audio system or add a security or navigation system, DaimlerChrysler testing facilities help ensure that negative effects from outside interference — such as commercial radio antennas and microwave towers — are almost non-existent.

Testing also helps ensure that Mopar Electronic Accessories will not interfere with your other electrical or computer systems.

In addition, unlike with some other accessories on the market, Mopar Electronic Accessories also meet DaimlerChrysler standards for current draw, so they won't draw down the vehicle's battery under normal conditions. You can be assured that, even with several Mopar Electronic Accessories, lamps won't dim and engines won't stumble or stall.

See Electronic Accessories for more information

Each Mopar **Running Board**, made to fit Minivans, Jeep vehicles or Dodge Trucks exactly, is constructed of a sturdy roll-formed steel substructure which passed a 650-pound static weight bench test, a 400-pound dynamic weight test and a 25-pound side-impact test. That means it'll stand up to daily use from heavy loads and minor impacts, and it'll look good for years to come.

The high-impact-resistant plastic cladding that covers Mopar Running Boards also improves durability — and won't shatter, as fiberglass designs might. In addition, the cladding guards against chipping, fading and cracking. Even the step surfaces feature a slip-resistant material. Furthermore, paint is not just a close match — it's an exact factory-matched color.

A final Mopar Difference — the available Lighted Running Boards are carefully designed so the light shines down on the stepping surface, not in the driver's or passenger's eyes, as with some other products on the market.

[See Premium Running Boards for more information](#)

Mopar **Racks and Carriers** are designed and built to strict Jeep specifications. This more demanding standard is ensured through access to DaimlerChrysler laboratories and testing sites — facilities not available to aftermarket accessory manufacturers.

All Mopar Racks and Carriers are subjected to a series of demanding tests before they are offered. Rack and carrier test tables vigorously shake the products to help ensure durability and stability. Brutal salt-spray testing helps ensure corrosion resistance. A pull test simulates aerodynamic loads that pull against the equipment on the roof rack when driving. Together with high-speed road tests and other proving grounds tests, all these procedures help ensure that racks, carriers and cargo remain securely attached.

In addition, each rack and carrier is custom designed to provide a tight, vibration-free fit — unlike many "universal fit" accessories available — which helps ensure minimal wind noise.

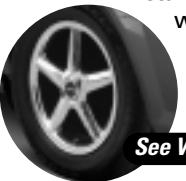

[See Racks and Carriers for more information](#)

Mopar **Wheels** feature tough, cast aluminum construction and are specifically designed for an exact fit on Chrysler, Plymouth, Dodge or Jeep vehicles' wheel hubs — unlike "universal fit" wheels, which mount on the wheel studs. This exact fit means wheels that turn true, which translates into less vehicle vibration and a smoother ride.

Every Mopar Wheel is also designed to be used with existing chrome lug nuts and standard wheel weights. In addition, the surface of both painted and polished wheels is glazed with a Clear Coat finish that requires only a normal washing effort — no tedious repolishing on a regular basis to maintain their like-new appearance, as with some other types of wheels.

To help ensure everyone's safety, each Mopar Wheel also undergoes stringent DaimlerChrysler testing, and must pass many other tests — including a simulated curb-impact test — to meet demanding fit, performance and durability standards.

[See Wheels for more information](#)

Mopar offers several **Tubular Products** for Wrangler: Front and Rear Bumpers, Brush Guards, Side Steps and Light Bars. All are designed to blend perfectly with the unique lines of Wrangler, and are available in a variety of finishes.

Mopar tubular products are fashioned from heavy-gauge steel or aluminum, then formed with an advanced mandrel tube-bending technology for a clean, wrinkle-free appearance.

These tubular products are designed to enhance the appearance of Wrangler while resisting road debris and inclement weather conditions without chipping, corroding, pitting or scratching.

All mounting hardware meets DaimlerChrysler Materials Standards for corrosion protection.

In addition, because they're designed and engineered by the same corporate team as Jeep Wrangler, all Mopar front-end products are designed to meet Federal Motor Vehicle Safety Standards for occupant protection as well as Federal Vehicle Lighting Requirements. Aftermarket manufacturers may not be subject to these same standards!

[See Tubular Accessories for more information](#)

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

I. WHAT IS WARRANTED

1. MOPAR PARTS BASIC 12-MONTH/12,000-MILE LIMITED WARRANTY

- a. Except as listed below, MOPAR parts sold over the counter or wholesaled are warranted against defects in workmanship or materials for 12 months/unlimited mileage for parts (exchange) only. Parts installed on a Chrysler, Plymouth, Jeep®, or Dodge vehicle by an authorized Chrysler, Plymouth, Jeep or Dodge dealer are warranted for 12 months/12,000 miles for both parts and labor, or for 12 months/unlimited mileage for parts (exchange) only, whichever is more favorable to the customer.
- b. The following MOPAR products have time and mileage limitations, for warranty coverage that differ from the general coverage described above:
 - Accessories including Air Conditioning Systems
 - Batteries
 - Catalytic Converters (if not replaced under the New Vehicle Emissions Limited Warranty)
 - MOPAR Performance Engine Assemblies
 - Master Shield® Protection Products
 - Mufflers, Shocks, Struts and Bedliners
 - MOPAR Remanufactured Parts, Engine Assemblies and ABS Brake Controllers
 - MOPAR Replacement Sheet Metal
 - MOPAR Performance Parts
- c. 12-month/12,000-mile MOPAR Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler, Plymouth, Jeep or Dodge dealer if the failure of a covered part causes the vehicle to be inoperative.
- d. If a MOPAR part is installed in a Chrysler, Plymouth, Jeep or Dodge vehicle by an authorized Chrysler, Plymouth, Jeep or Dodge dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a DaimlerChrysler Motors Corporation warranty at the time of failure. A MOPAR part used to replace a failed MOPAR part that is still under warranty is covered ONLY for the remainder of the replacement part's existing warranty.
- e. MOPAR Gaskets and Seals are sold "AS IS" without warranty of any kind.
 - f. MOPAR Performance Parts (shown by a MOPAR part number beginning with the letter "P") are sold "AS IS" without warranty of any kind by Mopar.

2. MOPAR ACCESSORIES AND AIR CONDITIONING AND AUDIO PRODUCTS SYSTEMS LIMITED WARRANTY

MOPAR Accessories, Audio Products, Electronic Accessories and Air Conditioning Systems installed on a Chrysler, Plymouth, Jeep or Dodge vehicle by an authorized Chrysler, Plymouth, Jeep or Dodge dealer are covered either by the 12-month/12,000-mile MOPAR Basic Limited Warranty above, or by the remainder of the 3-year/36,000-mile Basic New Vehicle Limited Warranty, whichever is more favorable to the customer.

3. MOPAR REPLACEMENT BATTERY 90-DAY LIMITED WARRANTY

- a. Batteries found to be defective in materials or workmanship will be replaced without charge for 90 days from the date of purchase.
- b. Batteries installed in a Chrysler, Plymouth, Jeep or Dodge vehicle covered by the Basic New Vehicle Limited Warranty (Basic Warranty) found to be defective in materials and workmanship are warranted for the remainder of the Basic New Vehicle Limited Warranty, or for the 90 days stated above, whichever is more favorable to the customer.
- c. If the vehicle is no longer covered by the Basic New Vehicle Limited Warranty, and the 90 Day Battery Warranty has expired, the owner may receive a prorated allowance toward the purchase of a new MOPAR replacement battery. This warranty is given only to the original retail purchaser. The prorated amount will be computed by dividing the number of months since the date the battery was purchased (as shown by the date on the customer repair order or parts counter ticket) by the number of months of proration shown on the battery and multiplied by the purchase price of the battery. A battery that fails under the Basic New Vehicle Limited Warranty will be replaced with a MOPAR battery of an equal or next highest amp-hour rating. Batteries that are discharged are NOT considered defective.
- d. Peak Performance Battery 84-Month Limited Warranty (Orbital Battery) — DaimlerChrysler warrants this battery to its original purchaser for 24 months free replacement and 84 months pro-rata replacement when used in private, noncommercial vehicles including up to 1½-ton pickups and vans. The 84 Peak Performance Battery is a starting battery and is not recommended for, or warranted in, non-starting applications. If this battery fails to hold a charge due to a manufacturing defect in materials or workmanship, it will be adjusted with a new battery of comparable performance upon customer payment of the percentage of 84 Peak Performance Battery suggested retail price in effect at the time of adjustment. The RETAILER PURCHASER PERCENTAGE COST used will be based on the following table shown:

Months	0-24	25-36	37-48	49-60	61-72	73-84
Percentage	FREE	43%	57%	71%	86%	98%

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

Free replacement period is for 24 months from initial purchase date, regardless of any interim adjustment.

You must retain your dated bill of sale for this battery, along with the removable warranty certificate and present both intact to the adjusting 84 Peak Performance Battery dealer. This warranty does not cover batteries that are simply discharged, abused, neglected, misapplied, or otherwise incapable of vehicle starting for reasons met within that control of DaimlerChrysler Corporation. This warranty does not cover failure due to improper recharging, improper installation, or damage due to freezing, fires, explosions, floods, collisions, or the additions of unapproved materials to electrolyte.

This warranty is limited in duration for the periods identified and applied to initial purchaser and initial vehicle only. This warranty is nontransferable.

4. MOPAR REPLACEMENT CATALYTIC CONVERTER 3-YEAR/25,000-MILE LIMITED WARRANTY

MOPAR replacement Catalytic Converters are warranted against defects in materials or workmanship for three years or 25,000 miles from the date of installation, whichever comes first. The external converter shell and end bushings are warranted against defects in materials or workmanship for 5 years or 50,000 miles from the date of installation, whichever comes first. **IMPORTANT: These catalytic converters are not certified for use as replacements where the vehicle is still covered by the New Vehicle Emissions Warranty. They can only be used after the emissions warranty has expired.**

5. MASTER SHIELD® RUST PROTECTION LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Rust Protection treatment is warranted for the registered lifetime of the new vehicle, provided that the:

- vehicle does not exceed 11,000-lb gross vehicle weight
- Master Shield treatment was properly applied within three months of the new vehicle's original in-service date

DaimlerChrysler Motors Corporation warrants that if any part of a new vehicle properly treated with Master Shield Rust Protection rusts through (is perforated from inside out), DaimlerChrysler will repair and/or replace the damaged part(s) at no charge, up to a cumulative limit of \$2,000 in combined parts and labor costs per vehicle.

NOTE: This warranty does NOT apply to surface or cosmetic rust; rust caused by external damage from dents, scratches, chipped paint or surface rust resulting from other internal cavity perforation; wear and tear from normal driving; vehicles not continuously registered for road use; vehicle manufacturer's defects; the vehicle's exhaust system; vehicle's floor pans load area of commercial vehicles; pickup truck bed areas; defects covered by a dealer's or manufacturer's New Vehicle Limited Warranties; or vehicles not inspected as required by Master Shield Rust Protection Procedures and Warranty book. Only the selling dealer may validate a Master Shield warranty.

6. MASTER SHIELD PAINT SEALANT LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Paint Sealant treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield sealant was properly applied within 60 days of the vehicle's original in-service date
- damage to the exterior finish is reported immediately to a participating Master Shield dealer, who follows the proper claims-processing procedure

DaimlerChrysler Motors Corporation warrants to the first registered owner of a treated vehicle that if, within three years of the sealant's application on any properly-treated exterior finish, the vehicle is damaged by weather-induced discoloration, loss of gloss or fading, DaimlerChrysler Motors Corporation will repair and retreat the damaged area(s) free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is prior authorized by DaimlerChrysler Motors Corporation. This warranty is not transferable.

NOTE: This warranty does NOT apply to damage caused by owner negligence, carelessness or failure to use prescribed maintenance steps; damage caused by collision, fire, stone, or similar objects causing a break or puncture of the sealant; damage from acid rain, smog, industrial fallout, or paints coming in contact with vehicle's surface paint; or damage caused by any modification or alteration to the vehicle's surface.

7. MASTER SHIELD® FABRIC PROTECTOR LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Fabric Protector treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield treatment was properly applied within 30 days of the new vehicle's original in-service date
- the vehicle was at no time in commercial use
- any damage to the interior cloth or velour surfaces is inspected by a participating Master Shield dealer and a representative of the Warranty Record Center

DaimlerChrysler Motors Corporation warrants that if any interior cloth or velour surface treated with Master Shield Fabric Protector becomes permanently stained from water, coffee, soda, milk or similar liquids, DaimlerChrysler Motors Corporation will clean and retreat the damaged surfaces free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is previously authorized by DaimlerChrysler Motors Corporation. This warranty is not transferable.

NOTE: This warranty does NOT apply to vehicles used for commercial purposes (except Gold Key Lease® Vehicles); to carpets or floor mats; to damage caused by defects in the material or workmanship of the cloths used; to damage caused by owner negligence, carelessness or improper maintenance; or to damage caused by acid, dye, ink, bleach, gums, paints, lubricants, or caustic or corrosive materials.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

8. MASTER SHIELD LIMITED WARRANTY (WISCONSIN)

These conditions are applicable to the Master Shield Limited Warranty issued in Wisconsin and supersede anything inconsistent in the standard warranty language found on the following pages. All other standard warranty terms and conditions herein contained apply.

The Master Shield Limited Warranty is a two-year warranty renewable for the life of the vehicle if the required free inspections are made. Registration of the warranty is not a condition precedent to your limited warranty coverage nor are manufacturer defects excluded, except for such defects that would be covered under the DaimlerChrysler Corporation new vehicle warranty.

Chrysler Insurance Company, 27777 Franklin Road, Southfield, MI 48034, provides Master Shield with product guarantee legal liability insurance. The warrantor is DaimlerChrysler Corporation, 26311 Lawrence Avenue, Center Line, MI 48015.

For warranty information, claims and adjustments, contact the selling dealer or any participating Master Shield dealer. If dealer is not available, contact 1-800-776-7556.

9. MOPAR REPLACEMENT MUFFLER, SHOCK, STRUT, AND PICKUP BEDLINER LIFETIME LIMITED WARRANTIES

MOPAR replacement Mufflers, Shocks, Struts, and Pickup Truck Bed Liners sold by an authorized Chrysler, Plymouth, Jeep®, or Dodge Dealer are warranted against defects in workmanship or materials for the lifetime of the vehicle on which they are installed. This warranty is given only to the original retail purchaser, and is not transferable.

10. MOPAR PERFORMANCE PARTS 12-MONTH LIMITED WARRANTY

• Mopar Performance Crate Engine Assemblies

MOPAR Performance Crate Engine Assemblies — Crate Engine Assemblies are warranted for “parts only” “AS DELIVERED” against defects in materials or workmanship for 90 days from date of purchase. The following covered components for Performance Engine Assemblies, which prove to be defective in materials or workmanship, will be replaced on an exchange basis for 90 days: cylinder blocks and all internal parts; cylinder head assemblies; intake manifold; core plugs; valve covers; oil pan; timing gear and/or chain and cover; water pump; gasket and seals.

• Mopar Performance Parts beginning with the letter “P”

Mopar Performance Parts (shown by a Mopar part number beginning with the letter “P”) are sold “AS IS” without warranty of any kind by Mopar Parts.

WARNING: All Mopar Performance Parts beginning with the letter “P” are sold “AS IS” without any warranty whatsoever. All express and implied warranties, including warranties of merchantability or fitness for a particular purchase, are excluded. The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer, and not the manufacturer, distributor, or the retailer, assumes the entire cost of all necessary servicing and repair. Note that all Chrysler, Plymouth, Dodge, Dodge Truck and Jeep vehicle and part warranties are voided if the vehicle or part is used for competition, or if the vehicle or part fails due to modification.

11. GENUINE MOPAR REMANUFACTURED PARTS, ENGINE ASSEMBLIES AND ABX ANTILOCK BRAKE CONTROLLER

All genuine MOPAR Remanufactured Parts are identified by an “R” or “JR” prefix.

- a. MOPAR Remanufactured Parts, except powertrain parts, sold over the counter or wholesaled, are warranted for 12 months/unlimited miles for parts (exchange) only. MOPAR Remanufactured Parts, except powertrain parts, installed on a Chrysler, Plymouth, Dodge or Jeep vehicle by an authorized Chrysler, Plymouth, Dodge or Jeep dealer are warranted for 12 months/12,000 miles parts and labor, or for 12 months/unlimited miles, parts (exchange) only, whichever coverage is more favorable to the customer.
- b. Mopar Remanufactured Powertrain Parts, installed on a Chrysler, Plymouth, Dodge or Jeep vehicle by an authorized Chrysler, Plymouth, Dodge or Jeep dealer, are warranted against defects in materials and workmanship for 36 months or 36,000 miles, whichever occurs first, for parts and labor, from the original date of installation. DaimlerChrysler Motors Corporation, Mopar Parts Division, (“MOPAR”) will repair or replace, at its option, the failed assembly using new or remanufactured parts. This warranty covers the cost of parts and labor when repairs are completed by an authorized Chrysler, Plymouth, Dodge or Jeep dealer.

The 36-month or 36,000-mile Limited Warranty for Mopar remanufactured powertrain assemblies covers the following parts and components.

Gasoline Engines and Cylinder Heads: Cylinder block and all internal parts, cylinder head assemblies, timing gears and timing gear drive belts or chains, oil pumps and rear main oil seals.

Manual or Automatic Transmissions/Transaxles: Case and all internal parts, torque converter (including ring gear), front pump seals.

- c. Mopar Remanufactured Powertrain Parts, sold over the counter, are warranted against defects in materials and workmanship for 36 months or 36,000 miles, whichever occurs first, from the original date of sale by a Chrysler, Plymouth, Dodge or Jeep dealer to an independent repair facility. Repairs, including both parts and labor, can be obtained from any authorized Chrysler, Plymouth, Dodge or Jeep dealer. Alternatively, repairs, including the replacement or repair of the failed assembly and an allowance for labor, may be made by the purchasing independent repair facility. The independent repair facility must obtain authorization for any repair from MOPAR or an authorizing entity designated by MOPAR for this purpose. This repair may include the repair or replacement of the failed assembly at the option of MOPAR or the authorizing entity.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

- d. The MOPAR warranty on remanufactured powertrain parts is transferable to subsequent owners of the vehicle in which the Mopar remanufactured powertrain part was originally installed. Simply provide the original repair receipt and the Warranty Registration to the subsequent vehicle owner.
- e. Remanufactured Cummins Diesel Engine Assemblies installed on a Dodge vehicle by an authorized Chrysler, Plymouth, Dodge or Jeep® dealer are warranted against defects in materials or workmanship for 12 months or 100,000 miles, whichever comes first. Cummins Diesel Engine Assemblies will be repaired by an authorized Chrysler, Plymouth, Dodge or Jeep dealer, using genuine MOPAR remanufactured parts only. Cummins Diesel Engine Assemblies sold over the counter are warranted against defects in materials and workmanship, for 12 months/unlimited miles, for parts (exchange) only.
- f. MOPAR Remanufactured Antilock Brake Controller (ABX-4) sold over the counter or wholesaled are warranted for 12 months/unlimited mileage for parts (exchange) only. MOPAR Remanufactured Antilock Brake Controller (ABX-4) installed on a Chrysler, Plymouth, Dodge or Jeep vehicle by an authorized Chrysler, Plymouth, Dodge or Jeep dealer are warranted from date of installation, for 12 months/12,000 miles parts and labor, or for 12 months/unlimited miles, parts (exchange) only, whichever coverage is more favorable to the customer.

12. MOPAR REPLACEMENT OUTER-PANEL SHEET METAL 7-YEAR/UNLIMITED-MILE LIMITED ANTICORROSION WARRANTY

MOPAR replacement Sheet Metal Panels (outer panels) are warranted against defects in materials or workmanship which cause perforation (inside-out rust through only) for 7 years/unlimited miles. Panels, which prove defective, will be repaired or replaced at the option of DaimlerChrysler Motors Corporation. This warranty does not cover corrosion due to fire, accident, vehicle abuse, owner negligence or vehicle alteration; corrosion caused by sand, hail, airborne fallout, chemicals, salt, road hazards or stone damage; or surface paint deterioration or corrosion (other than inside-out perforation). This warranty covers the cost of both parts and labor for the replacement of outer-panel sheet metal parts, if an authorized Chrysler, Plymouth, Jeep or Dodge dealer or its authorized agent installed the part(s). Parts only are covered, if the parts were sold over the counter.

II. HOW TO OBTAIN MOPAR WARRANTY SERVICE

Where both parts and labor are covered warranty items, repairs will be made by any Chrysler, Plymouth, Jeep® or Dodge dealer at no charge. Where parts only are covered, any Chrysler, Plymouth, Jeep or Dodge dealer will provide replacement parts at no charge. It is recommended that you take your Chrysler, Plymouth, Jeep or Dodge vehicle to your selling dealer or to the dealer who sold or installed your MOPAR part or accessory. However, you may obtain replacement parts or service under warranty from any authorized Chrysler, Plymouth, Jeep or Dodge dealer. Except in an emergency, warranty service for MOPAR Panels may be obtained ONLY at an authorized Chrysler, Plymouth, Jeep or Dodge dealer.

III. WHAT IS NOT COVERED

MOPAR warranties do not cover any non-DaimlerChrysler Corporation or non-MOPAR parts, components or equipment, such as a non-MOPAR radio or speed control. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of non-DaimlerChrysler Corporation or non-MOPAR parts, equipment, materials or additives.

MOPAR warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence, or misuse (for example, driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion or damage caused by the use of caustic materials.

MOPAR limited warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

MOPAR limited warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.

MOPAR warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

MOPAR warranties do not apply to parts installed on a vehicle, that has had its odometer or emissions systems tampered with or disconnected, or that has been declared to be a total loss by any insurance company, or is rebuilt after being declared to be a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. DaimlerChrysler Motors Corporation will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in the above paragraph.

MOPAR Limited Warranties do NOT cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by DaimlerChrysler Motors Corporation, as set forth in the New Vehicle Limited Warranty. If your new vehicle limited warranty is restricted by DaimlerChrysler Motors Corporation, coverage under your MOPAR Parts and Accessories Limited Warranties may also be restricted or denied.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES (CONT.)

IV. OTHER TERMS

- a. To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed on a vehicle used primarily for business or commercial purposes, no implied warranties apply. **Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**
- b. These warranties are the only express warranties made by DaimlerChrysler Motors Corporation for MOPAR Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.
- c. NO person, including a dealer or employee of DaimlerChrysler Corporation or DaimlerChrysler Motors Corporation, has the authority to vary or change these warranties.
- d. Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law.
- e. **These limited warranties give you specific legal rights and you may also have other rights which vary from state to state.**

NOTE TO DEALER:

MOPAR WARRANTY REGISTRATION & REPLACEMENT PROCEDURES

The Dealer must notify DaimlerChrysler Corporation whenever you install a MOPAR Air Conditioning system, Radio, Speed Control unit, Master Shield, EVS[®] unit, or a MOPAR Accessory. Transmit the vehicle option update information through your DIAL Main Screen. Choose Option 14, Vehicle Information Plus (VIP), following the procedures outlined in your DIAL Dealer's Manual.

ATTENTION INTERNATIONAL DEALERS AND DISTRIBUTORS:

1. The accessories in this Data Book were designed, engineered and approved for use in the United States, Canada and Mexico and may not comply fully with regulations in your country. Before ordering these accessories, please confirm that they meet all local regulations.
2. Special discounts, display items, promotional offers and supplier ship direct (SSD) shipments apply only to the United States, Canada and Mexico.

HOW TO READ THIS MOPAR ACCESSORIES DATA BOOK

The **Alphabetical Index** is just what says – and index of accessories listed alphabetically. You do need to look under the general **name** of the part, not the **type** of part, however. For example, Molded Running Boards are not listed under “M.” Molded is the type of Running Board. They are indexed under “R,” like this: Running Boards, Molded.

The same goes for a Tubular Side Step. It is indexed under “S,” like this: Side Steps, Tubular.

The **Numerical Index** lists accessories by part number from lowest to highest.

In addition, photos, a list of Mopar features, questions to ask about aftermarket competitors and installation information add to the reader-friendly layout.

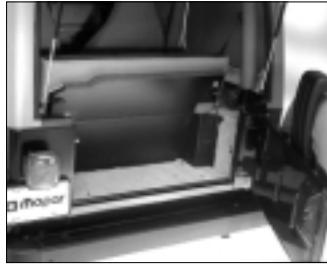

INSTALLATION TIMES

The installation times listed are average times required to install the accessory, as established by DaimlerChrysler. These installation times are a guide. Actual installation times may vary depending on the technician’s speed, skill level and product knowledge. If it is felt that the published time is not appropriate, submit a “Letter of Information or Suggested Time Schedule Review” as suggested in the back of the Labor Operations Time Schedule book.

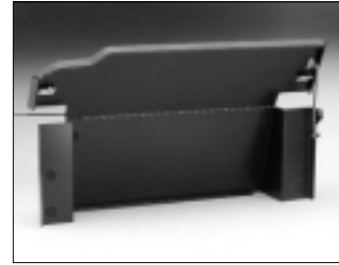

ADD-A-TRUNK

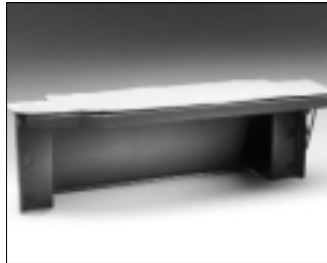

Add-A-Trunk (shown on Wrangler)

Lockable trunk space

With hinged lid for easy access

Lid down keeps valuables out of sight

82205892

Six-Disc CD Changer

- Magazine holds six discs for hours of listening pleasure
- Viscous antivibration system prevents skipping
- Available for CD changer-controlled radios and FM-Modulated Kit for complete vehicle coverage
- FM-Modulated Kit (82202292) with credit card-size remote and wired remote provides disc select, random play, fast forward/reverse and track repeat features
- CD Changer incorporates software to interface with DaimlerChrysler Corporation CD changer-controlled radios
- Installation kits sold separately

PT Cruiser Ten-Disc CD Changer

- Complete kit for PT Cruiser equipped w/radios, w/CD controls (RBK/RBB/RBR/RBP/RBZ)
- Operates with CD Changer controls on radio faceplate
- Magazine holds 10 discs for hours of listening pleasure
- Mounts conveniently under either front seat

82204730

Twelve-Disc FM-Modulated CD Changer

- Works with any radio without CD changer controls
- Dual hybrid dampers to help prevent skipping
- Super-fast mechanism for rapid disc changing
- 150-disc programmable title memory
- Silent action for low noise
- Illuminated eject button on changer
- Complete with infrared and wired remote controllers

MOPAR FEATURES

- Mopar CD Changers are guaranteed to be compatible with DaimlerChrysler CD changer-controlled radios
- CD Changer uses viscous silicone dampeners to prevent skipping
- Four-Disc CD Changer is custom fit to existing space in instrument panel in many DaimlerChrysler vehicles, without unsightly adapters
- Custom fit brackets/consoles allow for convenience of use, keeps changer out of sight
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

MOPAR FEATURES

- Large radio makes controls easier to see and use
- "Perfect-fit mounting" eliminates squeaks and rattles
- Backlighting and vacuum fluorescent display match instrument panel exactly
- Electronically filtered to prevent damage to radio from voltage extremes and spikes
- Radio frequency emissions are kept at safe levels to avoid interference with vehicle electronic components
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does it have tiny, hard-to-see controls?
- Does it require an adapter plate, which may cause squeaks and rattles?
- Does the radio display match vehicle lighting? Is the LCD display hard to read?
- Will the radio become damaged from voltage extremes and spikes?
- Will the radio adversely affect vehicle's electronic controllers?
- Does the warranty compare?

*Check your market for your competitive situation.

AUDIO PRODUCTS, SUBWOOFER

Wrangler Subwoofer

Wrangler Subwoofer (from front)

PT Cruiser Subwoofer

Cherokee Subwoofer

Grand Cherokee Subwoofer

MOPAR FEATURES

- Exclusive Jeep® logo on Wrangler
- Stylish speaker enclosure matches interior trim color and graining
- Upgraded instrument panel midrange speakers for stereo imaging (Wrangler only)
- Custom plug-in wiring matched to harness (Wrangler only)
- Easy listening, even with top down at freeway speeds
- Fold down (Wrangler) or removable (Grand Cherokee) for more cargo room
- Tuned acoustical enclosure for superior sound performance
- Includes two tweeters to ensure bright, crisp sound
- 50-watt amp powers 8" subwoofer for added bass response
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Jeep logo is exclusive to Mopar, Jeep and DaimlerChrysler Corporation
- Does it match the interior?
- Is it easy to hear the music with the top down?
- Does it take up rear cargo area space?
- Does it have tuned acoustical enclosure for superior sound performance?
- Does the warranty compare?

Under-The-Rail Bedliner
(shown on Ram Pickup)

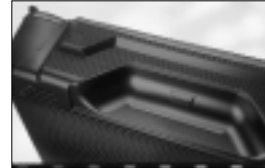

2 x 4 holder

Over-The-Rail Bedliner
(shown on Dakota)

Under-The-Rail Bedliner
(shown on Dakota)

New Adhesive Strip to
Reduce Noise

Includes Tailgate Cover

MOPAR FEATURES

- Dodge logo (exclusive)
- Ribbed for easier drainage
- Skid-resistant material (under-the-rail)
- No-drill installation
- Wraps over the bulkhead and resists warping
- Access to tie-downs
- Foam tape reduces noise and unique floor design prevents floor lift; helps seal out dirt and rocks
- Vertical and horizontal board supports for dividing loads; board supports are fully supported by the truck box
- Convenient cup holders in tailgate cover
- Protect the truck bed from scratches, dents and chips; impact-resistant
- Made of a blend of rubber and high-density polyethylene (under-the-rail)
- Personal-use buyers prefer the under-the-rail design for its skid-resistant feature
- Work-use buyers like the over-the-rail style for rail protection and sliding ease when loading and unloading
- Heavy-duty liners are 30 percent thicker, feature anti-skid on both sides and provisions to cut out for a fifth-wheel hitch
- Light and power outlet weather resistant
- Included shielded cable
- Excellent for Tonneau Cover
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Dodge logo is exclusive to Mopar, Dodge and DaimlerChrysler
- Is it a flat construction that may trap moisture?
- Mopar's skid-resistant formula is patented
- Does it require drilling?
- Does it have screw-in fasteners at the bulkhead? Will it warp?
- Are tie-downs covered?
- Does it have cup holders?
- Does it trap air at highway speeds?
- Does it collect dirt or rocks and consequently rattles?
- Are board supports available? If yes, are they supported by the truck box?
- Does the floor design trap water?
- Is the Bedliner as thick as Mopar's?
- Does the warranty compare?

BED MATS/BED TRAYS

Bed Mat (shown on Ram Pickup)

Bed Mat (shown on Dakota)

Exclusive Dodge logo

MOPAR FEATURES

Bed Tray

- Made of a blend of rubber and high-density polyethylene
- Bottom surface is specially designed to help prevent mildew and corrosion; oil- and grease-resistant
- Raised Dodge logo adds personalized style
- Easily removed for cleaning
- Precut to truck bed
- Molded, raised ribs help reduce cargo shifting
- Makes loading and unloading easier
- Aid drainage
- Cover the full length of the bed and tailgate to help guard against scratches and dents
- Insulate the bed from vibration and noise

Bed Mat

- Made of half-inch thick, nylon-reinforced rubber, mat protects truck bed floor and tailgate from scratches
- Mat is easy to remove for cleaning and features a molded-in Dodge logo
- Includes tailgate cover
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it made of compression-molded rubber, which may crack or tear?
- Is it a flat construction that may trap moisture?
- Dodge logo is exclusive to Mopar, Dodge and DaimlerChrysler Corporation
- Is it a universal fit? Does it require cutting?
- Does the warranty compare?

CARGO BARRIER

MOPAR FEATURES

- Custom fit cargo barrier is constructed from steel
- Keeps cargo secure in the cargo area and prevents it from entering the passenger compartment
- Grid construction modular design allows for a custom fit barrier
- Upper section to be used with rear seat in up position. Lower section to be used when rear seat is down in conjunction with upper section
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it constructed from steel?
- Does it keep cargo secure and prevent it from entering the passenger compartment?
- Does it have a custom fit grid construction modular design?
- Does the warranty compare?

*Check your market for your competitive situation.

Envelope Cargo Net (shown in Neon)

Vertical Cargo Net (shown in Durango)

"T" hooks

MOPAR FEATURES

- Custom designed to fit cargo area
- Helps hold cargo in place
- Easily removable
- Unique hooks allow for strong retention and easy net removal
- Netting mounts at tailgate (Envelope)
- Netting mounts to existing vehicle tie-downs and installed mounting anchors in roof (Vertical Barrier)
- Made of black elastic netting
- Meets OE testing standards for flammability and durability
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a universal fit?
- Do hooks remove easily?
- Does net meet OE testing standards?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easily installed
- Includes black nylon net, four hooks and draw straps; use with cargo tie-down loops on vehicle (Envelope)
- Can be used with or without a Cargo Tray (Envelope)
- Hand tools required

CELLULAR PHONE HOLDER

Dakota

Jeep

Sebring

MOPAR FEATURES

- The arms of this electronic instrument panel-mounted phone holder grasp your phone gently and secure it firmly in an easy to reach position
- Adjustable rubber feet offer added phone support while the one-touch-release feature allows for quick phone removal
- The holder includes a branched cord that plugs into your vehicle's power outlet, allowing simultaneous connection to other accessories
- Installs in minutes without drilling using radio mounting screws and accommodates any cellular phone, PCS phone or accessory
- Engineered to not interfere with SRS (air bag) deployment
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Will it obstruct SRS or other safety systems?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

Installs to the vehicle instrument panel, uses radio mounting screws, requires no drilling for installation.

attachment

Fender J-hook attachment
(some applications)

Underhood adjuster strap
with J-hook

INSTALLATION:

- Various fastener styles provide tighter fit and facilitate installation and removal
- Adjustable J-hooks for hood; padded plastic strips and J-clips for fascia/fenders and bumpers. Snaps are used for some fender applications
- Hand tools required for initial installation of snaps

J-hook on elastic strap

Underhood adjuster strap

Screen net over grille

MOPAR FEATURES

- Durable and breathable black vinyl fabric
- Nylon screen protects grille and fascia openings
- Designed to fit tight and match front-end contours
- Custom fasteners facilitate installation and removal
- Unique two-piece design allows the hood to open without removing the cover
- Embroidered silver vehicle logo
- Custom "turned-under and sewn" edges for finished, stylish appearance
- 22-ounce foss backing on specific models helps protect paint surface
- DaimlerChrysler-tested to ensure limited degradation of cooling system performance
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it cloth or vinyl?
- Does it have a screen to protect openings?
- Is the netting fiberglass, which may scratch paint?
- Is it a custom fit?
- Does it have fewer attachment points, causing a poorer fit?
- Do you have to remove the cover to open the hood?
- Logos are exclusive to DaimlerChrysler Corporation and Mopar
- Are the edges turned under?
- Does it have an unfinished appearance?
- Does it have backing?
- Has it been tested to ensure it does not degrade cooling system performance?
- Does the warranty compare?

*Check your market for your competitive situation.

COVERS, SPARE TIRE, DELUXE ANTITHEFT

Deluxe Tire Cover with White logo (shown on Wrangler)

Zippered closure

Molded plastic mounting

MOPAR FEATURES

- Custom fit to tire size
- Available in Black Denim and Dark Tan to match soft top
- Plastic molding center provides tight fit, a Mopar exclusive
- Plastic housing attachment secures behind the tire and carrier to prevent theft, if wheel is equipped with lock
- Jeep® logo
- High-quality YKK zippers, made of long-lasting acetyl resin, have a greater number of teeth and meet alignment and tolerance requirements
- Can be removed in minutes
- Flame-retardant fabric with backing
- Cover is made of a tough, vinyl-coated cotton/polyester blend and uses heavy-duty reinforced stitching
- Has been tested to withstand a variety of weather conditions
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a universal fit?
- Is it a loose or sloppy fit?
- Can it be easily stolen?
- Jeep logo is exclusive to DaimlerChrysler Corporation, Jeep and Mopar
- Are the zippers made of nylon?
- Do they have fewer teeth, enabling easier misalignment after repeated use?
- Does it take a long time to remove?
- Is the fabric flame retardant?
- Does it have a backing?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Slips easily over spare tire
- Held in place with plastic anchor between tire and mount

EVS® SYSTEMS, QUICK REFERENCE

GUIDE TO SELECTING YOUR EVS I® ELECTRONIC VEHICLE SECURITY AND KEYLESS ENTRY SYSTEM

Use the chart below to choose from five distinct systems designed to meet your individual needs. Then check out the specific features and benefits of the system that best suits your lifestyle.

System: Vehicle Equipment:	EVS Security System Vehicles without power locks	EVS II Security System Vehicles equipped with factory-installed power locks	EVS II Security Plus Vehicles equipped with factory-installed power locks and keyless entry	Keyless Entry System Vehicles equipped with factory-installed power locks	IT-s™ Vehicles with factory security system
System Benefit:	Adds security system feature to your vehicle	Adds security system and remote keyless entry	Adds security system feature to your vehicle	Adds remote keyless entry feature to your vehicle	Adds shock sensor

MOPAR FEATURES	THE COMPETITION?*
<ul style="list-style-type: none"> • Engineered by Mopar for each DaimlerChrysler Corporation vehicle • Toll-free technical hot line • Tested to ensure no RFI interference with vehicle's electronic system • Low vehicle ignition-off current draw with EVS • Starter interrupt immobilizes vehicle when triggered • Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer 	<ul style="list-style-type: none"> • Is it one size fits all? • Is there a national hot line for field support? • Are crimp connectors required for installation? • Will wires vibrate loose? • Will it affect the engine control computer or other vehicle electrical systems? • Will it cause false triggering? • Will it draw excess current or cause a dead battery? • Does alarm just "make noise?" • Does the warranty compare?

*Check your market for your competitive situation.

NOTE: If vehicle is under warranty and a replacement module or siren is needed, call (800) 84-MOPAR for warranty replacements. Have EMCR and vehicle information ready. If customer pays, order:

- 5012164AA for EVS Base module and 82203198 for replacement siren
- 4883255 for EVS II System module, 82203198 for replacement siren and 4883207 for keyless entry system module
- 5011649AA for EVS Plus module and siren, and 4883287 for keyless entry system module

EVS Base Security System

EVS BASE SECURITY SYSTEM For Vehicles Without Power Door Locks

Enjoy the convenience and protection of electronic vehicle security at an affordable price! Specifically designed for Dodge trucks without power door locks.

FEATURES:

- Instrument panel warning light
- Warning siren
- Two remote transmitters
- Remote control arm/disarm
- Starter interrupt
- Remote control panic alarm
- Automatic rearming
- Illuminated entry
- Programmable passive or active security arming
- Valet mode

OPTIONAL FEATURES INCLUDE:

- Dual-stage shock/impact sensor
- 30-second headlamp illumination with flashing parking lamps
- Additional remote transmitters

INSTALLATION:

- Comprehensive illustrated installation manual, Owner's Manual and wallet card
- Complete technical support offered at (800) 34-MOPAR

EVS® SYSTEMS, EVS II® IT-s (INTERIOR THEFT SENSOR)

EVS II IT-s

EVS II IT-s (INTERIOR THEFT SENSOR)

For Vehicles With a Factory-Installed Security System

Designed for vehicles equipped with a factory-installed security system, the IT-s uses infrared technology to protect the contents of your vehicle. The IT-s offers:

- Interior vehicle content protection; while factory security systems help prevent vehicles from being stolen, the IT-s guards against vehicle tampering, towing, theft of parts, accessories and contents
- Improved impact-sensing for total vehicle protection, even at areas far away from the sensor like the trunk and tires
- Virtual elimination of false alarms caused by external factors such as sound, radio frequency interference, and moisture or temperature changes
- Low current draws, critical in preventing dead batteries because sensors do their most important work when the car is turned off
- Wide range of sensitivity, so it can be individually adjusted for optimum performance on any vehicle

EVS II Security System

EVS II – ELECTRONIC VEHICLE SECURITY SYSTEM
For Vehicles With Power Door Locks

Offers state-of-the-art electronic security for Dodge trucks with power door locks and without a factory-installed remote keyless entry system. Protects both your vehicle and its contents.

FEATURES:

- Dual-stage shock/impact sensor
- Remote control door lock/unlock
- Programmable lock/unlock with ignition
- Instrument panel warning light
- Warning siren
- Two remote transmitters
- Remote control arm/disarm
- Starter interrupt

- Remote control panic alarm
- Automatic rearming
- Illuminated entry
- Programmable passive or active security arming
- Valet mode

In addition, optional features include:

- 30-second headlamp illumination with flashing parking lamps
- Additional remote transmitters

INSTALLATION:

- Custom-designed, color-coded, plug-in wiring harness
- Complete technical support, including a toll-free technical hot line: (800) 34-MOPAR

EVS II Security Plus System

Remote Transmitter

EVS II SECURITY PLUS For Vehicles With Factory- Installed Keyless Entry Systems

Turns your factory-installed keyless entry system into an advanced electronic security system. Taking advantage of this upgrade is an easy and economic way to protect your vehicle and its contents. Using your existing keyless entry transmitter, you can access these added security features:

FEATURES:

- Flashing parking lamps
- Dual-stage shock/impact sensor
- Instrument panel warning light
- Warning siren
- Remote control arm/disarm
- Starter interrupt
- Programmable passive or active security arming
- Valet mode
- Complete technical support offered at (800) 34-MOPAR

INSTALLATION:

- Comprehensive illustrated, installation manual; Owner's Manual and wallet card
- Complete technical support, including toll-free technical hot line: (800) 34-MOPAR
- Custom-designed, color-coded plug-in Wiring Harness

Minivan

MOPAR FEATURES

- Raised edge helps contain snow, water and mud
- 12-ounce or more nylon carpeting with raised edge
- Color matched to interior; custom fit; same as OE
- Nibbed backing helps keep mats in place
- Embroidered logo
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a plain design?
- Is it polypropylene, which is less durable than nylon?
- Is it a universal size and color?
- Does it have a plain backing, which may cause slippage?
- Viper and Prowler logos are exclusive to DaimlerChrysler Corporation, Dodge, Chrysler, Plymouth and Mopar
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easily installed
- Available in pairs for front and rear

FLOOR MATS, SLUSH-STYLE

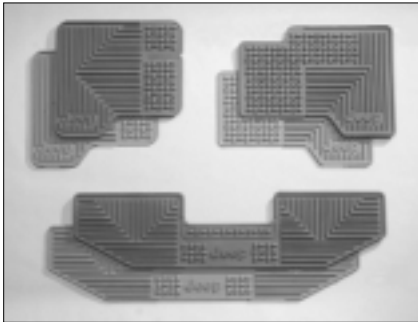

Slush-Style Floor Mats

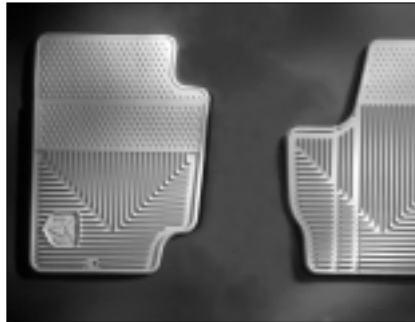

Slush Floor Mats

PT Cruiser

Wrangler

Slush Mats (Ram Pickup)

MOPAR FEATURES

- Custom fit and color matched to vehicle's interior
- Mopar exclusive design
- Heavy-duty, long-lasting construction
- Nibbed backing helps keep mats in place
- Heavyweight construction, rugged, durable
- Deep grooves help contain water, snow and mud to protect floor carpet and your shoes
- Vehicle logo on front mats
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do they have a universal color and size?
- Do they have plain backing that may slip and slide?
- Do they have heavyweight construction?
- Vehicle logos are exclusive to DaimlerChrysler Corporation, Jeep and Mopar
- Does the warranty compare?

*Check your market for your competitive situation.

GROUND EFFECTS — AIR DAMS, SIDE SKIRTS AND WHEEL LIP MOLDINGS

Air Dams, Wheel Lip Holding and Side Skirt Kit

Ground Effects Package, rear view

MOPAR FEATURES

- All Mopar products have been designed to meet the Federal Motor Vehicle Safety Standards for side impact
- All Mopar mounting hardware is designed to provide superior corrosion protection
- Only the highest quality finishes are used: powder-coat finishes and durable clear coatings
- Designed for simple installation with minimal drilling, these products are manufactured using the advanced RIM (Reaction Injection Molding) process for a precise fit to your vehicle.
- The polyurethane material includes glass filler, which preserves structural integrity without compromising the material's excellent lightweight, weather-resistant properties
- Stringently tested in seven categories for durability, including paint hardness and salt-spray, humidity and gravel resistance, these accessories will stand up to the toughest conditions year after year
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do they meet the FMVSS side-impact tests?
- Do the brackets have enamel finishes that may chip? Would they survive DaimlerChrysler's 250-hour salt spray test?
- Do they use less expensive finishes that are more prone to rust, pitting and scratches?
- Does the warranty compare?

*Check your market for your competitive situation.

GUARDS — BRUSH/GRILLE, QUICK REFERENCE

MOLDED GRILLE GUARD

MOLDED BRUSH GUARD

TUBULAR GRILLE GUARD

DELUXE TUBULAR BRUSH GUARDS

MOPAR FEATURES

- All guards are developed and approved by the Dodge Design Team to ensure they match Dodge truck's unique lines
- Mounting with stainless steel hardware is designed specifically for each vehicle, minimizing installation time and maximizing strength and durability
- All Mopar mounting hardware is designed to provide superior corrosion protection
- Mandrel tube-bending technology is used during the fabrication of tubular products to ensure wrinkle-free contours
- All Mopar guards are designed to meet Federal Motor Vehicle Safety Standards for occupant protection
- Design will not adversely affect airflow to the engine compartment or impede hood operation
- Only the highest quality finishes are used: Hexavalent chrome, aluminum anodizing, E-coat primers, powder-coat finishes and durable clear coatings
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Will the guard match the lines of Dodge trucks?
- Is the bracket system an "erector set" (i.e., many holes for many applications)? Is the hardware corrosion-resistant?
- Do the brackets have enamel finishes that may chip? Would they survive DaimlerChrysler's 250-hour salt-spray test?
- Do ripples appear in the tubes where they have been curved?
- Does the guard meet Federal Motor Vehicle Safety Standards? Will its installation affect the standards?
- Will the design restrict airflow to the engine or impede hood operation?
- Do they use less expensive finishes that are more prone to rust, pitting and scratches?
- Does the warranty compare?

*Check your market for your competitive situation.

GUARDS — BRUSH, JEEP®

Brush Guard (shown on Cherokee)

Brush Guard (shown on Wrangler)

Molded Brush Guard
(shown on Grand Cherokee)

MOPAR FEATURES

- Anodized aluminum resists corrosion, pitting, peeling, and is scratch resistant
- TPO plastic end caps resist shrinking, expanding and cracking
- E-coat primer and powder-coat paint provide durable finish
- Available in chrome, silver aluminum or black painted steel crossbars
- Chrome is designed to meet tough 44-hour CASS test
- The chrome finish consists of .001-ductile nickel base coating for strength, covered by .0005-semi-bright nickel seal coat and topped with hexavalent chrome plating that provides a bright, rust-resistant product
- Mopar uses stainless steel fasteners and hardware
- Mandrel tubing bends for a full, round appearance
- Interior welds provide clean appearance
- Designed specifically to match the contours of the front bumper; 2½" oval center tubes, with ¼" upright stanchion plates, attach to frame
- Does not adversely affect airflow to the engine compartment, or impede the opening or closing of the hood
- Designed to meet Federal Motor Vehicle Safety Standards for occupant protection
- Aligns to vehicle frame
- Genuine Jeep design approved by Jeep Design Team
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it anodized aluminum?
- Will it pit or corrode?
- Does it have an E-coat/powder-coat finish, or an enamel finish, which may chip, scratch and rust easily?
- Does chrome meet Mopar's standards for finish and durability?
- Are plain steel fasteners used, which may rust?
- Is all hardware stainless steel?
- Are tubes bent without mandrel, resulting in a flat or unsightly appearance?
- Does it have unsightly exterior weld marks?
- Is it a universal fit?
- Is it a hang-on design?
- Has product been designed to meet government regulations?
- Is drilling required for frame attachment?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Brush Guard is preassembled for quicker installation
- Kit includes mounting brackets with stainless steel hardware

† Installation Package required to enable Fog Light operation. Vehicles with front tow hooks, Reinforcement Kit PN 82203591 is also required.

‡ Wiring harness required on vehicles with Fog Lights to relocate lights inboard.

§ Cannot be used with Tow Hooks

* If front license plate is required, order PN 52003479 separately.

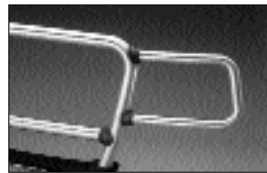

GUARDS — DELUXE TUBULAR BRUSH GUARD, TRUCK

Deluxe Tubular Brush Guard (shown on Ram)

Guard meets FMVSS for lighting

Chrome gasket protects surface at weld joint

License plate mounting

FEATURES:

- 2.0" diameter grille area tubes and 1½" brush guards
- Mandrel-formed for smooth finish
- Tubular design with integrated TPO fascia was designed to match the contours of Dodge Dakota
- Approved by the Dodge Design Team
- Designed to meet Federal Motor Vehicle Safety Standards for occupant protection and vehicle lighting
- Design does not adversely affect airflow to the engine compartment or impede operation of the hood
- Painted guards receive an E-coat primer and powder-coat paint
- OE-quality chrome finish consists of a 1.5-mil base coating for strength (1.15-mil semi-bright; .35-mil bright) and a .01-mil Hexavalent chrome surface plating that provides a bright, rust-resistant finish
- Protective gaskets over welded joints on chrome guards help protect against rust
- Anodized aluminum resists corrosion, pitting, peeling and is scratch resistant
- Not for use with Tow Hooks

SPECIFICATIONS:

- 2.0" main tubes with 1½" brush guard sections
- Mandrel bending construction produces wrinkle-free bends

INSTALLATION:

- Brush/Grille Guard is preassembled for quicker installation
- Kit includes mounting brackets with stainless steel hardware
- Frame bracket mounts securely to existing holes in vehicle's frame
- Stiffener guard bracket mounts directly to bumper
- Existing license plate frame on vehicle must be relocated to lower fascia

NOTE: This product is designed solely to enhance the appearance of the vehicle. Since the safety characteristics are limited, it is not intended to prevent injury or damage in the event of an accident. Check state and local regulations on installation and use.

GUARDS — BRUSH, MOLDED, RAM SPORT PICKUP

Molded Brush Guard (Shown on Ram Sport Pickup)

Unique one-piece design

Designed to meet FMVSS for lighting visibility

FEATURES:

- Unique one-piece design
- Designed using advanced computer software that allows engineers to match the unique front end of the new Ram Sport Pickup exactly
- Nitrogen-injected ABS construction results in a Grille Guard that is lighter and more impact-resistant than conventional guards
- Designed to meet FMVSS for occupant protection and lighting
- Available in select body colors
- Cleans easily with soap and water

INSTALLATION:

Easy to install

NOTE: This product is designed solely to enhance the appearance of the vehicle. Since the safety characteristics are limited, it is not intended to prevent injury or damage in the event of an accident. Check state and local regulations on installation and use.

GUARDS — GRILLE, TRUCK

Tubular Chrome Grille Guard (shown on Dakota)

Mounts directly to frame

Contour design with chrome crossbars and black end caps

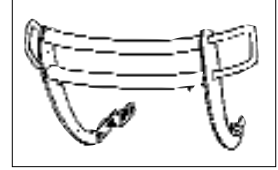

Tubular Brush Guard (shown on Ram Pickup)

Tubular Grille Guard (shown on Ram Pickup)

Custom design end caps (Grille Guard)

Tubular Brush Guard (preassembled to reduce installation time)

FEATURES:

- 2½" oval center tubes, with ¼" upright stanchion plates, attach to frame
- Available in chrome, Silver or Black aluminum, or Black painted steel
- Anodized aluminum resists corrosion, pitting, peeling and is scratch-resistant
- Chrome designed to meet tough 44-hour Copper Accelerated Salt Spray (CASS) test
- OE-quality chrome finish consists of a .5-mil base coating for strength (1.15-mil semi-bright; .35-mil bright) and a .01-mil Hexavalent chrome surface plating that provides a bright, rust-resistant finish
- E-coat primer and powder-coat paint provide a durable finish
- Crossbars follow the contours of the grille
- TPO plastic end caps resist shrinking, expanding and cracking
- Does not restrict airflow to engine compartment or impede operation of hood
- Cleans easily with soap and water
- Grille Guard is designed to meet FMVSS for occupant protection and vehicle lighting
- Provides hood opening clearance
- Mandrel tube bending provides a neat, clean, finished appearance without "wrinkles"

INSTALLATION:

- Grille Guard is preassembled for quicker installation
- Kit includes mounting brackets with stainless steel and cadmium hardware

Towing Packages

A key to successful towing is to make sure all necessary elements are there. At Mopar we don't just sell "hitches." We provide towing packages. When putting together a hitch package, it should contain the following elements:

- Hitch Receiver
- Hitch Ball (some applications)
- Ball Mount (some applications)
- Wiring Harness

Some towing situations may require additional equipment above the basic package. Some of this equipment may include:

- Heavy-Duty Electrical System
- Higher Output Engine/Transmission Components
- Engine/Transmission Oil Cooler
- Weight-Distributing (equalizing) Hitch Package
- Antisway Controls
- Electronic Trailer Braking Controls

Vehicles from the factory may come with some of this equipment already installed as part of a Trailer Tow Prep Option or may be included with your trailer equipment. Be sure to check the Owner's Manual for more information.

Weight Classes

Hitch packages, in general, are divided into four classes. Class I and Class II are usually designed to be weight-carrying with use of a ball mount. Class III and Class IV can carry heavier loads with the use of a weight-distributing hitch assembly that distributes the weight to all trailer and vehicle axles. A ball mount can also be used with Class III and Class IV Hitch Receivers for lesser loads.

Weight Carrying

Mopar weight-carrying hitch packages include Classes I, II and III. Class I has a rated capacity of up to 2,000-lb GTW. Class II is rated up to 3,500 lb. And Class III is rated up to 5,000 lb. (Not all vehicles can tow this much weight, so check the Owner's Manual for the vehicle's specific tow rating.)

Weight Distribution

Weight-distributing hitch packages are used with Class III and IV hitch packages for loads up to 6,500 lb. A weight-distributing system allows vehicles to tow heavier loads without sagging in the rear because of added trailer equipment which distributes the weight to all vehicle and trailer axles. This equipment includes a hitch head that is inserted into the hitch receiver, a hitch ball mounted to the hitch head, spring bars that connect to the hitch head to distribute the tongue weight to the trailer and vehicle axles, sway-control equipment to minimize horizontal sway, and brackets that connect the spring bars to the trailer frame.

Most trailer manufacturers have unique weight-distributing requirements for their specific trailers. Mopar hitch packages are designed to be used with most weight-distributing equipment.

NOTE: Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped. May require other items not supplied by Mopar.

HITCH RECEIVERS, QUICK REFERENCE (CONT.)

Mopar Hitch Receiver

Mopar Hitch Receivers have a reputation for quality unmatched in the towing industry. Here are some of the advantages built into every Mopar Hitch Receiver:

- Designed and tested in cooperation with DaimlerChrysler Corporation engineers
- Designed as a one-piece welded assembly for added strength, not a bolt-together design
- Designed to match vehicle towing capacity based on vehicle engine, driveline and suspension
- Covered with two-layered, E-coated paint finish to resist rust
- Available high-quality custom wiring harnesses to protect the vehicle's sensitive electronic equipment

Installing Packages

The proper installation of hitch packages and other towing equipment is extremely important. Mopar hitch packages are designed and tested to ensure a proper match with DaimlerChrysler Corporation vehicles, and install easily using existing vehicle frame holes.

However, failure to completely follow the installation instructions and procedures can cause hitch failure which could result in personal injury and/or vehicle damage.

Vehicle	Maximum Vehicle Tow Rating (lb)	MOPAR CLASS I HITCH PACKAGE up to 2,000-lb GTW			MOPAR CLASS III HITCH PACKAGE 3,500- to 5,000-lb GTW			MOPAR CLASS IV HITCH PACKAGE 5,000- to 6,500-lb GTW

HITCH BALL

Hitch Balls

Specially designed ball for bumper

TIP: COUPLER AND HITCH BALL

The coupler is the part of the trailer that attaches to the hitch ball. The socket on the coupler should be smooth, clean and slightly lubricated. Couplers are weight rated to the trailer load (GTW) and come in various sizes.

Hitch balls are sized in three dimensions: ball diameter, shank diameter and shank length. These dimensions are used to determine the hitch ball's weight rating. When selecting a hitch ball, match the ball's weight rating and ball diameter to the trailer coupler's weight rating and size.

All Mopar hitch balls are designed with wrench flats which provide easy installation and a tighter fit.

MOPAR FEATURES	COMPETITORS?*
<ul style="list-style-type: none"> • Made of heavy-duty forged steel • Incorporated wrench flats aid in installation and removal • The chrome finish meets the 250-hour salt-spray test • Mopar Hitch Balls are designed and tested to match the vehicle's towing requirements • Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer 	<ul style="list-style-type: none"> • Is it made of forged steel? • Are wrench flats incorporated? • Does the finish meet the 250-hour salt-spray test? • Has it been tested with the vehicle? • Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

Use wrench to secure to Ball Mount

NOTE: Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.

HITCH RECEIVERS, BALL MOUNT KIT

Hitch Ball Mount

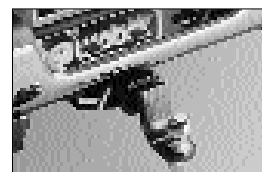

Hitch Ball Mount, Ball sold separately

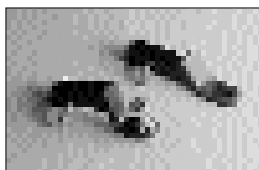

In drop position

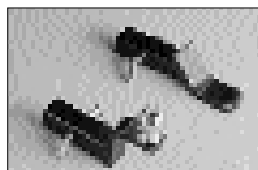

(Top) 1.75" drop, (Bottom) 2.25" drop

(Top) 2.75" drop (Bottom) 3.50" rise

3" Drop (Left), 2.75" Drop (Right)

3.50" Rise (Left), 1" Drop (Right)

MOPAR FEATURES

- Made of heavy-duty cold-rolled steel
- Matches hitch opening, no cutting required
- Electrocoat primer and powder-coat paint provide a durable finish on Class II adapters
- Mopar Ball Mounts are designed and tested to match the vehicle's towing capacity
- Mopar Ball Mounts are designed to match the vehicle's towing capability; maximum tow rating: 5,000 lb; maximum tongue weight rating: 500 lb
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it made of heavy-duty rolled steel, or is it made of stamped steel, which is weaker?
- Is it a universal fit? Does it require cutting?
- Does it have an E-coat/powder-coat finish, or an enamel finish, which may chip, scratch and rust easily?
- Has the ball mount been tested to the rating specified?
- Has it been tested with the vehicle?
- Does the warranty compare?

*Check your market for your competitive situation.

INTERIOR TRIM APPLIQUES

Instrument Panel Applique (shown in Intrepid)

Grand Cherokee Laredo

Cherokee

Ram Pickup

Durango

MOPAR FEATURES

- Custom designed to fit the instrument panel, gauges, vents and pockets
- Installed with DaimlerChrysler Corporation-approved adhesives for a secure fit
- Adhesive promoter and cleaning chemical kit included for convenient installation
- Enhances interior appearance
- Approved by DaimlerChrysler Vehicle Design Team
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does it fit the instrument panel exactly or does it have to be trimmed?
- Do adhesives meet DaimlerChrysler Corporation standards?
- Will they hold up?
- Do you have to source separate installation chemicals, not readily available in your shop?
- Does it meet DaimlerChrysler Corporation design standards?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Attaches with DaimlerChrysler Corporation approved adhesive tape
- Adhesive promoter and cleaner kit included, no other products needed for installation
- Easy to install
- No special tools needed

LIGHT BAR, JEEP®

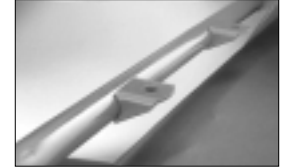

Light Bar (shown on Wrangler)

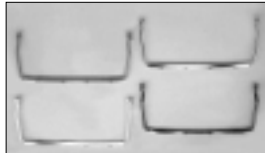

Light Bar with Off-Road Lamps, prewired (shown on Wrangler)

Prewired for two or four-light installation

Light mounting tab

Four finishes available: Black painted steel, Black or Silver aluminum or chrome

Shown with new style Mopar Off-Road Light and Brush Cover

MOPAR FEATURES

- Anodized aluminum resists corrosion, pitting, peeling, and is scratch resistant
- E-coat primer and powder-coat paint provide a durable finish
- Chrome is designed to meet 44-hour Chrome Accelerated Salt Spray test — a DaimlerChrysler Corporation standard
- Bright hexavalent chrome finish
- The chrome finish consists of .001-ductile nickel base coating for strength, covered by .0005-semi-bright nickel seal coat and topped with hexavalent chrome plating that will provide a bright, rust-resistant product
- Mopar uses stainless steel fasteners and hardware
- Designed specifically to match the slope of Wrangler's windshield
- Uses windshield hinge mount for a strong, durable installation
- Mandrel tube bending provides a neat, clean, finished appearance
- Authentic Jeep® design
- Product designed by the creators of the Jeep Wrangler
- Matches other Mopar tubular accessories
- Prewired to eliminate difficult fishing of wires through narrow tubes
- Design allows normal soft top operation
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it anodized aluminum?
- Will it pit or corrode?
- Does it have an E-coat/powder-coat finish, or an enamel finish, which may chip, scratch and rust easily?
- Does the chrome finish meet Mopar's standards for durability?
- Is it a "duller" cadmium chrome finish?
- Are plain steel fasteners used, which may rust?
- Is all hardware stainless steel?
- Is it a universal fit?
- Is it a hang-on design?
- Are tubes bent without mandrel, resulting in a flat, wrinkled appearance?
- Mopar Accessories are the only genuine Jeep vehicle-designed products available for Wrangler
- Does light bar require wire installation; a nasty, time-consuming job?
- Will light bar interfere with "swing" of soft top when opened or closed?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Windshield hinge-mounted, holds four lights
- Prewired, does not require threading wire through tube
- Connects to Mopar Light Installation Kit

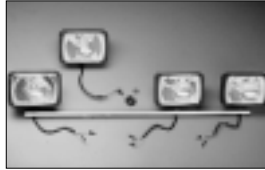

- Light Bar includes mounting tabs for two or four lights (lights and in-vehicle wiring sold separately)
- Heavy-duty charging system required when using four lights

NOTE: These products are designed solely to enhance the appearance of the vehicle. Since the safety characteristics are limited, they are not intended to prevent injury or damage in the event of an accident. Check state and local regulations for restrictions on the installation and use of Mopar Sport/Light Bars.

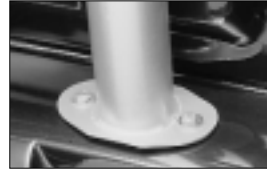

LIGHT BAR, TRUCK

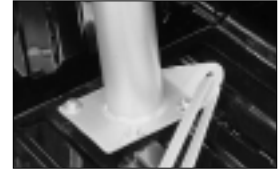

Light Bar (shown on Ram Pickup)

Light Bar Conversion Kit

Mounting plate is welded to leg

Tie-Down

Includes center-mount stoplight

Accommodates up to four Mopar lights*

Twin tube design

MOPAR FEATURES

- The aluminum version uses an anodizing process that helps to eliminate corrosion, pitting, peeling and is scratch resistant
- Corrosion resistant
- Heavy-duty construction
- The steel version is protected with electrocoat primer and a baked, powdered top coat process, providing a durable finish
- Stainless steel fasteners
- Interior welds provide clean appearance
- Designed specifically to match contours of wheel well and bed
- Stiffener bracket plates mounted under bed sheet metal provide strength and durability, resist movement
- Incorporates center high-mounted stoplight (CHMSL) and cargo lights in the design; Light Bar Conversion Kit available to convert Light Bar to four-light capacity* (lights not included)
- Tie-downs are an integral part of the legs
- Designed by the creators of the Dodge Ram Pickup
- Mandrel bent tubing for a full, smooth appearance
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it anodized aluminum? Will it pit or corrode?
- Is it an E-coated paint finish or an enamel finish that may chip, scratch and rust easily?
- Are fasteners plain steel that may rust? Is all hardware stainless steel?
- Does it have unsightly exterior welds?
- Is it a universal fit? Does it project beyond the wheel well?
- Does it shake and rattle?
- Does it block the CHMSL? Does it provide cargo lights?
- Does the design cover the truck tie-downs?
- Is tubing bent without a mandrel, leaving unsightly wrinkles?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

Conversion Kit consists of:

- One-piece crown (front) section with left and right mounting legs

Wiring Kit consists of:

- Switch, underhood and instrument panel wiring, required for complete Off-Road Light installation

NOTE: Heavy-duty charging system required when using four lights. Do not use lights that exceed 55 watts each.

NOTE: This product is designed solely to enhance the appearance of the vehicle. Since the safety characteristics are limited, it is not intended to prevent injury or damage in the event of an accident. Check state and local regulations on installation and use of Off-Road Lights.

NOTE: Off-Road Lights should be added at the time of Light Bar installation. To install lights after installation requires the removal of the Light Bar. Off-Road Lights and Light Bar sold separately.

NOTE: When using the Light Bar Conversion Kit that expands from two to four lights, order two light kits and two installation kits.

LIGHTS, OFF-ROAD

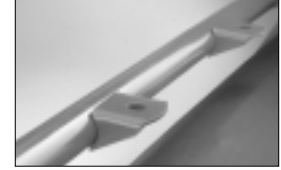

Off-Road Lights (shown on Wrangler)

Brush-style Cover
PN 82202585

Style matches OE housing
Fog Lights

Mopar Light Bar available

PN 82201775

PN 82201776

PN 82201777

MOPAR FEATURES

- Mopar Lights use OE, plug-in wire connectors on lights and wire harnesses
- Wires are enclosed in a convolute sleeve for protection
- OE-style on/off illuminated rocker switch
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are crimp connectors required for installation, which may cause nicked wires or wire corrosion?
- Will wires vibrate loose?
- Are wires enclosed in convolute sleeves?
- Is it illuminated, easy to use, integrated in instrument panel?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Mopar offers a variety of sizes and styles: 6" round or 5"x7" rectangular
- Packaged in pairs, lens covers included
- Installation Package sold separately for use with 2 or 4 lights
- The Installation Kit, PN 82202526, is used in conjunction with the wiring in the Mopar Light Bar
- Not approved for regular highway use; most states require that lights remain covered when not in off-road use; operate with high beam headlights only

NOTE: When installing four Off-Road Lights, order two sets of lights and two sets of Installation Kits. Heavy-duty charging system required when using four lights. Check local regulations for restrictions on installation and use of Mopar Off-Road Lights.

NOTE: These products are designed to enhance the appearance of the vehicle. Since the safety characteristics are limited, they are not intended to prevent injury or damage in the event of an accident. Check state and local restrictions on the installation and use of Mopar Sport/Light Bars. Wrangler windshield cannot lower with Light Bar installed.

RACKS & CARRIERS — CARRIER, AIRPORTER

Airporter Carriers

Includes wheels for transporting

MOPAR FEATURES

- Polyethylene construction is durable and weather resistant
- Includes wheels for easy transporting
- Able to carry downhill skis, cross country skis, snowboards, fishing poles, skates, hockey sticks, camping gear, golf bags or other equipment
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are carriers constructed of a long-lasting material?
- Are wheels included, or will you have to carry the carrier?
- Are carriers too fragile to be checked as luggage?
- Does warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Carriers mount easily on OE Roof Rack with Sport-Utility Bars or on Mopar Roof Racks
- No tools required for installation

Vehicle Line	MYO	MYI	Application Remarks	Part Number	Instl Time	Group	Sugg Retail Price

*Do not exceed roof capacity of vehicle.

RACKS & CARRIERS — CARRIER, BICYCLE, BED-MOUNT

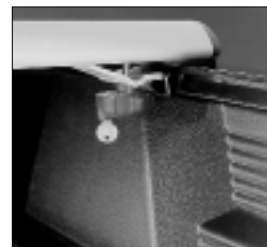

Bed-Mount Bike Carrier (shown on Ram)

Bed-Mount Strap

Fork-Mount Attachment

Rack, clamp-on, lockable

Bike Carrier with Multipurpose Removable Rack (shown on Dakota) 82300581

Bed Attachment

Rail Attachment/clamp to vehicle

MOPAR FEATURES

- Designed for Ram Pickup and Dakota
- Aluminum and steel bike carrier system attaches to bed rail with lockable clamps
- Carries up to four bikes in upright position with additional Fork Mounts (optional)
- Optional accessories available to enhance the capabilities of original rack
- Locking carrier and lockable attachments
- Security Kit also available
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a universal fit that extends beyond the bed?
- Is it lockable?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easy to install
- Installs in minutes
- Holds up to 3 Bike Carriers

RACKS & CARRIERS — CARRIER, BICYCLE, HITCH-MOUNT

Hitch Receiver with Fold-Down Bike Carrier (shown on Durango)

Shown in fold-down position (shown on Stratus)

Bike Carrier Kit

Carrier in the down position

Carrier in fold-down position

MOPAR FEATURES

- Carries up to four bikes (with horizontal crossbars)
- Carrier mounts quickly on a hitch receiver
- Adapter adds horizontal crossbar to bikes without them (a Mopar exclusive)
- Fold-down feature allows liftgate to be opened without removing bikes
- Proving-Grounds tested for durability
- Foot-operated tilt lever
- Foam inserts added to lockable clamps help protect bike finish and provide added security
- E-coated paint finish helps prevent rust
- Theft-resistant lock pin
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does their carrier tilt down with little effort, or do you have to remove it for tailgate access?
- Are carriers tested? How?
- Does lever require you to crouch down or lift up and operate a dirty mechanism by hand?
- Does carrier lock bikes for security? Will clamps scratch bike finish?
- Is it E-coated? Will it rust?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easy to install
- Requires hand tools
- Requires Hitch Receiver
- Security Allen wrench included

RACKS & CARRIERS — CARRIER, COMMERCIAL EQUIPMENT, RAM RACK

MOPAR FEATURES

- The ultimate sliding rack system for trucks
- The racks slide and are removable. Racks and accessories can be repositioned or removed in seconds
- Racks and cargo holder can be adjusted to secure any cargo. Tie downs adjust with a twist
- Easily installed. No drilling or damage — Ram Trac Rac compression mounts onto the side rails for a safe and secure fit
- Built of tough anodized aluminum, it is 100 percent rust and corrosion free
- A variety of accessories allows the system to be used for both work and play
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does the rack slide or is it bolted in place?
- Does the installation require drilling, bolting, or other way of damaging the truck?
- Is the rack a flexible system or just a rack locked into one position?
- Will it rust or corrode?
- Does it allow for customization?
- Does the warranty compare?

RACKS & CARRIERS — CARRIER, SKI, SPARE TIRE-MOUNT

Spare Tire Ski Carrier (shown on Wrangler)

Mounting plate

MOPAR FEATURES

- Steel construction, E-coat/powder-coat finish
- Tubular design
- Plastic is reinforced, high-strength material
- Holds up to four pairs of skis
- Tested for durability
- Cable included for securing and locking (with your padlock)
- Triple locking — cable, tabs, and your lock secure skis to Ski Carrier
- Spare Tire lock nut secures Ski Carrier to vehicle
- Carrier mounts to the tire carrier, does not harm the spare tire
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does it have an E-coat/powder-coat finish?
- Has it been tested for durability?
- Can the skis be secured?
- Does the carrier lock to the vehicle?
- Does the carrier clamp to spare tire, possibly chafing tire over time?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Designed to be installed on Jeep® Wrangler full-size Spare Tire Carrier (30 x 9.5 R15LT maximum)
- Simply slide rack onto the mounting plate and install one bolt
- Rack can be locked to the mounting plate with spare tire lock nut; the skis can be locked to the rack using the cable included (lock not included)

RACKS & CARRIERS — LUGGAGE RACK, HITCH-MOUNT

Prowler

PT Cruiser

MOPAR FEATURES

- Contoured and designed exclusively for each vehicle
- Provides a custom, stylish look
- Black and Gray finish (Prowler only) meets OE paint standards
- Roll formed metal parts are E-coated and powder-coated for durability
- Chrome plated in accordance with strict DaimlerChrysler standards, the Luggage Rack must pass a CASS test to help ensure freedom from cracked plate, loss of Chromium and corrosion status
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are they a universal fit application?
- Are the paint finishes tested to OE quality standards?
- Is competition's deck lid rack attached with sheet metal screws that may strip or cause rust?
- Does the rack block CHMSL? Does it meet federal safety standards?
- Do you have to measure various distances from openings and seams?
- Does the warranty compare?

*Check your market for your competitive situation.

REAR SEAT VIDEO™

Rear Seat Video™

Rear Seat Video™ Video Cassette Player

MOPAR FEATURES

- This fun and versatile entertainment system plays VHS tapes and features an overhead 6.4-inch active-matrix liquid crystal display (LCD) screen that provides superior picture quality
- The Video Cassette Player (VCP) is housed inside a specially designed floor console
- Overhead monitor mounting is more soothing to watch than low-mount systems
- The console is color keyed to your minivan's interior and can be mounted between the front seats or between the second row quad seats (LWB only)
- Audio can be accessed through the vehicle's sound system and/or through wireless headphones, which can be used in any rear seat
- An auxiliary input is provided for a video camera, CD player, and popular home video game players
- An infrared remote control and two sets of wireless headphones are included with the Rear Seat Video™
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does it have a smaller, harder-to-see screen?
- Do components meet automotive specifications for extreme temperatures and vibrations?
- Is the screen mounted overhead or in a floor console?
- Is it color-keyed to match your interior?
- Are the headphones wireless for easy use?
- Is there an auxiliary input?
- Does the warranty compare?

*Check your market for your competitive situation.

RUNNING BOARDS, ALUMINUM, JEEP®

Cherokee front and rear end caps

Cherokee all mounting hardware; ready to install

MOPAR FEATURES

- Kits include all hardware and dedicated mounting brackets specifically designed for each model
- The aluminum is anodized to help eliminate corrosion, pitting, peeling, scratches and minimize road debris
- Hidden nut fasteners are serrated, plated and flanged to resist vibration and rust
- E-coated steel support brackets and cadmium-plated fasteners meet DaimlerChrysler's 250-hour salt-spray test; resists corrosion
- Designed with unique black vinyl rub strip
- Support brackets are designed to minimize installation time
- Brackets are designed to meet federal fuel system integrity standards for side impact
- Skid-resistant strips provide added traction
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are all materials for installation included?
- Is it anodized aluminum?
- Will it pit, corrode or scratch easily?
- Are the fasteners plain steel, which may rust?
- Does vibration loosen fasteners?
- Are the brackets enamel-painted?
- Are end caps included in the price or are they an additional purchase?
- Is the bracket system an "erector set," i.e., a lot of holes for multiple applications?
- Are federal fuel system integrity standards met?
- Is a skid-resistant surface provided?
- Does the warranty compare?

*Check your market for your competitive situation.

RUNNING BOARDS, PREMIUM MOLDED, MINIVAN

Molded Running Board (shown on Voyager)

Molded Running Board (shown on Caravan)

Easy-to-install bracket system

Prepainted to match body color on ES, LXi and trim color on LE

MOPAR FEATURES

- Color styles match 10 body colors or four accent colors
- Premium Santoprene® cladding with custom-designed end caps are made of strong TPO plastic to withstand elements and minor impacts, complement vehicle cladding
- Wheel-to-wheel Running Board coverage
- Three-phase paint process resists chipping and scratching from road surface debris
- Serrated, flanged nut fasteners resist vibration
- All hardware meets DaimlerChrysler Corporation's 250-hour salt-spray test
- E-coated brackets prevent corrosion, meet DaimlerChrysler Corporation's side impact fuel system integrity standards
- Support brackets are designed to minimize installation time
- Skid-resistant surface provides added traction
- Running Boards were designed by the DaimlerChrysler Corporation Engineering Team for DaimlerChrysler Corporation minivans
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do the Running Boards have to be painted before installation? Do they match the body colors?
- Are the end guards made of fiberglass, which may chip or crack easily?
- Does the surface have three coats for protection?
- Are the fasteners made of plain steel, which may rust?
- Will vibration loosen the fasteners?
- Is the protective finish enamel?
- Will it chip?
- Will the brackets and fasteners pass a 250-hour salt-spray test?
- Are DaimlerChrysler Corporation's fuel system integrity standards met?
- Have brackets been impact-tested?
- Is the bracket system an "erector set," i.e., a lot of holes for multiple applications?
- Is a skid-resistant stepping surface provided?
- Is it designed for DaimlerChrysler Corporation minivans?
- Does the warranty compare?

RUNNING BOARDS, MOLDED, TRUCK

MOPAR FEATURES

- Three-phase original equipment paint process includes a base coat, top color coat and a Clear Coat for durability
- Resists chipping and scratching
- Santoprene® cladding and aluminum substructure resist rust
- Premium Santoprene rubber cladding over roll formed steel with front and rear Molded End Guards
- Serrated flanged nut fasteners resist vibration; E-coated steel support brackets and cadmium plate fasteners meet DaimlerChrysler's 250-hour salt-spray test
- Support brackets are designed to minimize installation time
- Authentic accessory produced by Dodge Design Team to fit Ram's unique contours
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do the brackets have an enamel finish, which may chip? Will the brackets and the fasteners pass the 250-hour salt-spray test?
- Are fewer brackets used?
- Only Mopar Accessories are designed by the creators of Ram Pickup
- Does the warranty compare?

RUNNING BOARDS, MOLDED, MATTE BLACK

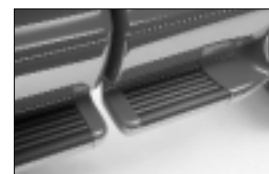

Running Boards with End Guards
(shown on Ram Pickup)

Improved cab access
(shown on Ram Pickup)

Running Boards with End
Guards (shown on Dakota)

Mounts directly to body
(shown on Dakota)

MOPAR FEATURES

- Integrated molded end guards at front; rear bed sections sold with or without end guards
- Authentic Dodge truck design
- Santoprene® cladding and aluminum substructure resist rust
- Custom end guards (made of TPO) resist cracking; end guards and end caps constructed of blow-molded Salflex® 255 plastic; cladding matches color (black) and texture of body moldings
- Serrated flanged nut fasteners resist vibration
- E-coated steel support brackets and cadmium plate fasteners meet DaimlerChrysler's 250-hour salt-spray (CASS) test
- Brackets designed to meet DaimlerChrysler's fuel system standards for side-impact protection
- Support brackets are designed to minimize installation time
- Skid-resistant surface provides added traction
- Four brackets per side, two per section
- Two-piece design eliminates noise transmission from bed to cab
- Body movement due to severe terrain will not affect split design boards
- Wheel-to-wheel Running Boards offered in split design only, include front cab sections and rear bed sections
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it made of steel, which may rust?
- Are fasteners made of plain steel, which may rust? Can they vibrate loose?
- Do the brackets have an enamel finish, which may chip? Will the brackets and the fasteners pass the 250-hour salt-spray test?
- Were brackets designed to meet DaimlerChrysler Corporation's fuel system requirements?
- Is the bracket system an "erector set" (i.e., a lot of holes for a lot of applications)?
- Does it have a skid-resistant surface?
- Are fewer brackets used?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- For use with Wheel Flares (Dakota/Durango)
- Specially designed support brackets reduce installation time
- Cab-length boards mounted to vehicle with two wide custom-made brackets per side
- Rear bed boards are also mounted to vehicle with two wide custom-made brackets per side
- Available for Regular Cab, Club Cab® and Quad Cab™ models

SEAT COVERS

Seat Covers (Ram Pickup)

Dakota

Durango

MOPAR FEATURES

- Custom tailored for a perfect fit
- Will not cover seat controls
- Tailored openings for all latches, pulls and other seat hardware
- Comfortable yet durable poly/cotton fabric protects original upholstery from dirt and tears
- Handy pockets add storage space
- Three- and four-piece designs
- Easily removed for washing
- Seat covers feature vehicle logo
- Match vehicle interior color
- Manufactured to DaimlerChrysler specifications for durability, flame retardants, and other specifications not available in aftermarket seat covers
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are they only available in one standard color that does not match your interior?
- Have they been tested for durability and long life?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easy installation
- No tools required and takes only minutes

SIDE STEPS, MOLDED, JEEP®

Molded Side Step with step pad (shown on Grand Cherokee)

Molded Side Step (shown on Cherokee)

MOPAR FEATURES

- Made of high-impact TPO plastic cladding with a steel substructure
- Steps are custom contoured to Jeep wheel flares for an integrated look
- Mounts to Jeep substructure for durability and support
- Includes skid-resistant stepping surface
- Available in matte black and select body colors
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is a skid-resistant surface provided?
- Will it rust?
- Does vibration loosen the fasteners?
- Does the warranty compare?

Cab and Bed Section (shown on Dakota)

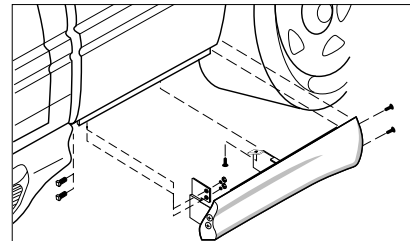

Molded Side Step (shown on Durango)

Rear End Guard and Ground Effect

Side Step with three-bracket support per side

Front bed Ground Effects section

MOPAR FEATURES

- Bayflex® 110-50 polyurethane resists cracking
- Prepainted to match vehicle
- Three brackets support step
- Brackets and fasteners protected to meet 250-hour salt-spray requirement
- Step pad and supporting plate preassembled at factory
- Step pad constructed of Santoprene® TPO
- Ready to install
- Automotive grade finish
- Resists chipping
- Produced by Dodge Design Team to match Dodge truck's unique contours
- Debossed Dodge Ram's Head logo in front portion of Side Step (Ram Pickup with Ground Effects only)
- Mopar Side Steps and Running Boards meet or exceed a 250-lb static-load test
- Quad Cab™ Side Steps feature extended stepping surface for rear access
- Custom designed to fit the contours of Dakota Quad Cab, Side Steps are constructed with an aluminum substructure and feature wide, skid-resistant step pads and molded TPO end caps
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it fiberglass, which may chip and/or break in cold weather?
- Is the competition's side step prepainted?
- Are brackets used for support? Is there a protective coating on the hardware?
- Do you have to secure the step pad with glue or screws before installing?
- Does it have to be removed for painting and reinstallation?
- Does it have a gelcoat or fiberglass finish that may chip easily?
- Does it have a "boxy," add-on look? Mopar Accessories are the only genuine Dodge-designed products available for Ram Pickup
- Dodge logo is an exclusive registered trademark of Mopar, Dodge and DaimlerChrysler
- Have they been tested under tough conditions?
- Does stepping surface extend for rear access?
- Does the warranty compare?

*Check your market for your competitive situation.
Bayflex is a registered trademark of Miles Industries.
Santoprene is a registered trademark of Monsanto Company.

SIDE STEPS, MOLDED, TRUCK (CONT.)

INSTALLATION:

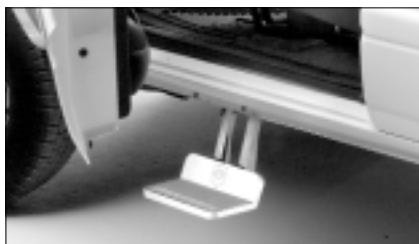

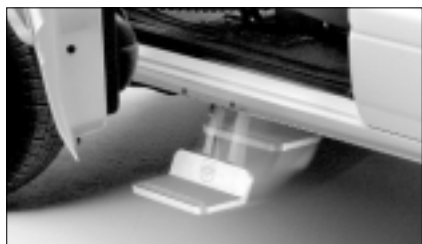

- Require cab sections and bed sections for complete installation
- Repainted to match most popular body colors
- Applications include Regular Cab, Club Cab® and Quad Cab™ trucks, with 6.5' and 8.0' bed lengths and standard wheels

SPLASH GUARDS, DELUXE MOLDED

Molded Splash Guards for 4WD pickups
(shown on Ram Pickup)

Molded Splash Guards for 2WD pickups
(shown on Ram Pickup)

Dakota

Durango

Voyager

Sebring

MOPAR FEATURES

- Molded to the contours of the vehicle, custom fit to body panel
- Provide superior protection against mud, gravel, salt and other road debris
- Packaged in pairs
- Can be used for front or rear application
- Thermoplastic Olefin (TPO) construction provides outstanding toughness and flexibility even in extreme temperatures
- Thermoplastic rubber (TPR) construction provides outstanding toughness and flexibility even in extreme temperatures
- Dedicated mounting hardware matches wheelhouse contour
- Pre-drilled holes for easy installation
- Wax-tipped black screws and plastic inserts help prevent rust
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do they have a universal design? Are there gaps between the guard and the body?
- Are they made of a more rigid plastic, which may break in cold weather?
- Is the hardware universal, making installation more difficult?
- Is drilling through the Splash Guards required, which may cause alignment difficulty?
- Do they use untreated screws, which may promote rust?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Pre-drilled molded guards allow for easy alignment and installation
- Uses existing body holes — no drilling
- Easy alignment and installation
- Packaged in pairs

SPLASH GUARDS, HD RUBBER

Rubber Splash Guards (shown on Wrangler)

Predrilled for easy installation, front

Custom brackets for easy installation, rear

MOPAR FEATURES

- Vehicle logo on all four Splash Guards adds personal touch
- Predrilled custom brackets for easy installation; no drilling required
- Extra-thick rubber for durability and long use; rugged, all-weather design; unique design minimizes road spray on vehicle
- Constructed of a blend of polyethylene rubber and selected ethyl vinyl acetate to provide outstanding toughness even in extreme temperatures
- Packaged in pairs
- Wax-tipped screws resist rust
- Hardware included
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Vehicle logo is exclusive to DaimlerChrysler Corporation, Jeep, Dodge and Mopar
- Is drilling through the splash guards required, which may cause alignment difficulty?
- Is it thinner "passenger car-style" material?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Predrilled guards allow for easy alignment and installation
- No drilling required

MOPAR FEATURES

- Hot-stamped silver vehicle logo adds a personal touch
- High-quality construction resists cracking and flexing
- Constructed of a blend of polyethylene rubber and selected ethyl vinyl acetate to provide outstanding toughness even in extreme temperatures
- Provide superior protection against mud, gravel, salt and road debris
- Wax-tipped screws resist rust
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Logos are exclusive to DaimlerChrysler Corporation and Mopar
- Are they made of high-quality materials, or of a cheaper material that may crack or deform under temperature extremes?
- Do they use untreated screws, which may promote rust?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Easy alignment and installation
- Packaged in pairs (front or rear)

Concorde

PT Cruiser

MOPAR FEATURES

- Uniquely designed for vehicle by the DaimlerChrysler Corporation Design Team
- Molded from fiberglass-reinforced composite materials, one-piece style
- Meets original equipment paint specifications, using base coat/Clear Coat finish
- Painted to match most body colors
- Tested to ensure it does not flutter or rattle at highway speeds
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a universal fit? Only Mopar products feature true DaimlerChrysler Corporation design
- Is it cut to fit with add-on end caps, which are easy to misalign?
- Does it have a black finish that requires painting? Will it match?
- Will spoiler rattle or flutter at highway speeds?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Simply attaches with four bolts and screws
- Dealer installation recommended

TONNEAU COVERS — FABRIC, SNAPLESS

Easy access to truck bed

Bow attachment

Frame attachment

MOPAR FEATURES

- Tough black vinyl fabric with polyester backing
- Shrink-resistant
- Mildew and waterproof fabric; UV-resistant
- “C” channel attachment system deters theft
- Keeps valuables out of sight
- Engineered to fit the unique bed dimensions
- Tailgate frame section can be easily removed for loading tall objects
- Complete one-piece lengths for 5.3', 6.5' or 8.0' beds; fabric attached to rail at bulkhead; provides easy access to truck bed
- Cast aluminum corner pieces
- More bows (6.5' bed = 3 bows, 8.0' bed = 4 bows); bows attach to clamps to help prevent snow and water buildup on fabric
- Anodized aluminum; aluminum frame system attaches to bed rail with exclusive clamp system, providing secure attachment
- Quick thumb screw disconnect for tailgate frame seam means easy removal when loading bigger objects
- Haartz® Tonneau Cover (Dakota Quad Cab™) includes same features of our other snapless tonneau covers with a premium, Haartz cloth cover
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it a universal fit? Does it fit Ram's unique bed dimensions?
- Does the frame consist of a 6.5' length plus a separate extension for 8' usage (two pieces)?
- Are the corner pieces made of plain steel, which may rust?
- Does it have as many bows?
- Is it made of plain steel, which may rust?
- Is the tailgate section permanently installed?
- Does the warranty compare?

TOPS, SOFT TOP

Soft Top used with half doors
(doors sold separately)

Wider side window surface

New retractable design

Tailgate attachment

Wider Rear Window

All-new frame insert for
doors makes for tighter fit

Soft Top used with
full-length doors

New windshield latch system

New retraction system; easy
as a convertible

Heavier zipper, hook-and-loop
fasteners for tighter seal;
easier to use

MOPAR FEATURES

- Jeep® exclusive plastic header with two quick-release latches
- Zipper and hook-and-loop fastener around windows for a better seal
- Larger side and rear windows than previous Wrangler
- Lower frame profile when the top is down
- Predrilled Sports Bar accommodates top, no drilling
- Removable windows resist cracking and clouding
- 10 pounds lighter than previous top for easier use
- The same top can be used with full or half doors
- Premium heavy-duty sail cloth fabric for reduced interior road noise; available in Black Denim and Tan
- No snaps to snap, no channels to install
- Fold-and-tumble™ for rear seat operation for convertible-like use
- Jeep engineering-tested to meet a variety of weather conditions
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Is it attached from outside the vehicle with unsightly fasteners?
- Is it a lighter seal; is there more wind noise?
- Are the windows the same size as the previous Wrangler?
- Is it the same old frame design that stacks high?
- Is drilling required?
- Can the windows be removed; do they cloud up?
- Is it a heavy top?
- Is the top compatible to both vehicle door systems?
- Is it coated?
- Does it reduce interior road noise?
- Does the top snap on?
- Do you have to drill and install side window channels?
- Is it difficult to raise and lower?
- Does it leak wind, water, snow, sand, etc.?
- Does the warranty compare?

*Check your market for your competitive situation.

TOPS, SUN BONNET (HALF-TOP)

Sun Bonnet Top (Bikini Style), includes hardware

Secures with straps to Sports Bar

Custom attachment design exclusive to Mopar for use with the Soft Top door frame

MOPAR FEATURES

- Door attachment is a Mopar exclusive; it eliminates dangling straps, providing a neat appearance
- Thick thread and waxed seams make for an improved resistance to water
- Custom design attachment
- Use with or without Sound Bar
- Channel-style installation — no snaps
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Do the rear straps tie to the rear tailgate area or rear seats?
- Do the tie-down straps restrict rear-seat usage?
- Does the fabric meet DaimlerChrysler Corporation standards for durability?
- Is it water resistant?
- Does it interfere with Hardtop/Soft Top use?
- Is it one size fits all — that doesn't?
- Does it use difficult-to-fasten snaps?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- Attaches to specially designed windshield hardware
- Secured with straps to the Sports Bar
- Use soft top plastic door frame

TOPS, WINDSCREEN

Windscreen, use behind front seat

Attaches to Sports Bar

Hook-and-loop attachment

MOPAR FEATURES

- Windscreen is made of a tough, vinyl-coated cotton/polyester blend and uses heavy-duty reinforced stitching
- Available in Black Denim and Dark Tan
- Thick thread and waxed seams make for an improved resistance to water
- Reduces wind buffeting when top is removed for quieter, more pleasant driving
- Keeps heat in front seat area in winter
- Has been tested to withstand a variety of weather conditions
- Can be removed in minutes
- High-quality window plastic resists clouding
- Pass-through access to rear-seat area
- Fits behind the front seat
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Does it match fabric and color of OE Soft Top?
- Is it water resistant?
- Does it take a long time to remove?
- Will window cloud over time?
- Can you reach items in rear-seat area?
- Does the warranty compare?

*Check your market for your competitive situation.

MOPAR FEATURES

- Engineered exclusively for Mopar
- Tested and approved by DaimlerChrysler Corporation Engineering for fit, performance and reliability on each specific application
- One-piece cast aluminum, designed and machined to center on hub, reducing run-out and allowing accurate balancing with standard weights
- Bright polished and silver painted surfaces both have baked-on acrylic Clear Coat that meets DaimlerChrysler Corporation specifications for long-lasting good looks and corrosion resistance
- Chrome wheels pass a 192-hour OE salt-bath test to ensure a long-lasting sparkle
- Includes PT Cruiser logo center cap, a Mopar exclusive
- One-piece forged aluminum wheels are lighter than cast aluminum or steel wheels and are far stronger
- Mopar locking lug nuts may be used (may affect 3500 center cap retention)
- Accepts standard wheel weights
- Accepts existing high-quality production (OE) chrome lug nuts
- Accepts existing production chrome center caps
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- "One wheel should fit all" cast wheel applications?
- Do they depend on less accurate lug bolts to center because center pilot is enlarged to fit all applications?
- Tape-on weights restricted to one location, limiting accuracy of dynamic balancing?
- Requires special, extra-cost, lower-quality chrome lug nuts?
- Requires special, extra-cost, lower-quality nondescript center caps?
- Is it a "one wheel should fit all" application requiring realignment because offset is incorrect?
- It may rely on inaccurate lug bolts to center because center pilot is enlarged to fit "all" applications
- It may require special weights which may limit accuracy of dynamic balancing
- Is there a non-heat-cured Clear Coat or no Clear Coat at all which requires frequent hand polishing of polished wheels?
- Are testing standards the same as Mopar?
- No other manufacturer is authorized to use the Neon or PT Cruiser logo
- Does the warranty, if any, compare?

*Check your market for your competitive situation.

WHEEL LOCKS

Two-Piece Wheel Lock Set

One-Piece Wheel Lock Set

MOPAR FEATURES

- Exclusive Mopar key codes help ensure maximum protection and serviceability, sold only through DaimlerChrysler Motors Corporation dealers; protect against wheel and tire theft
- Available in one- and two-piece styles, for both steel and aluminum wheels
- Two-piece style includes caps
- Bright chrome plastic cap included with two-piece set to give original equipment look
- Mopar keys interlock in pattern for easier removal
- Lightweight design does not affect wheel balance
- Mopar Accessories are covered by either the 3-year/36,000-mile New Vehicle Limited Warranty, or the 12-month/12,000-mile Mopar Basic Limited Warranty, whichever is more favorable to the customer

COMPETITORS?*

- Are key patterns universal to aftermarket?
- Do they include caps in kit for appearance and lock protection?
- Do they have keys that easily strip off from the lock?
- Will the wheels have to be rebalanced?
- Does the warranty compare?

*Check your market for your competitive situation.

INSTALLATION:

- No wheel rebalancing is necessary
- Toll-free lock replacement hot line: (800) 669-8788
- Set includes four locking nuts, one key, lug wrench key holder, and four caps for two-piece sets
- Special key holder included for attachment to lug wrench

WINCHES, JEEP®

Ramsey Winch (shown on Cherokee)

FEATURES:

- Four fully integrated solenoids — two operating solenoids; two backup solenoids
- This product has been designed to meet Federal Motor Vehicle Safety Standards for occupant protection and vehicle lighting
- Design does not adversely affect airflow to the engine compartment or impede operation of the hood
- Platinum 9000H currently boasts the fastest-rated line speed at 84 inches/minute

SPECIFICATIONS:

Ramsey Platinum 9000H Winch:

- Rated line pull (single line): 9,000 lb
- Gear Reduction ratio: 138:1
- Motor: Series wound — 4.8 hp (12V) DC
- Drum size: diameter 2.5", length 9"
- Cable length: 150' of $\frac{5}{16}$ " galvanized aircraft cable with clevis hook and hawse fairlead

Pro Plus 8000H and Pro Plus 8000HX Ramsey Winch:

- Rated line pull (single line): 8,000 lb
- Gear Reduction ratio: 126:1
- Motor: Series wound — 4.8 hp (12V) DC
- Drum size: diameter 2.5", length 9" with hawse fairlead

Choose from 2 models:

— Pro Plus 8000H model with 95' of $\frac{5}{16}$ " galvanized aircraft cable and clevis hook

— Pro Plus 8000HX model with 150' of $\frac{5}{16}$ " galvanized aircraft cable and clevis hook

Pro Plus 6000H Ramsey Winch:

- Rated line pull (single line): 6,000 lb
- Gear Reduction ratio: 90:1

ProPlus 600H

Jeep vehicle-engineered mounting plate

MD8000

Warn Winch with Grille Bumper Guard (shown on Wrangler)

XD9000i

- Motor: Series wound — 4.8 hp (12V) DC
- Diameter: 2.5", length 9"
- Cable length: 100' of $\frac{1}{4}$ " galvanized aircraft cable with clevis hook and hawse fairlead

Ramsey Winch:

- 6,000-, 8,000- and 9,000-pound rated pull line for heavy-duty applications
- 230- to 400-amp draw at full-rated load
- Weather-shielded solenoids; cam action clutch disengages planetary gear stages for free spooling
- Strong, reliable, automatic load-holding brake
- Electric reversible motor; three-stage planetary gear system
- Black powder-coat finish
- 2.1 hp, 210:1 gear ratio (Pro 6000, Pro 8000), 138:1 gear ratio (Pro 9000), free-spooling clutch, weighs 95 pounds, remote control

Warn Winch:

- 9,000-pound rated pull line for heavy-duty applications
- 230- to 280-amp draw at full-rated load
- Weather-shielded solenoids; cam action clutch disengages planetary gear stages for free spooling
- Strong, reliable, automatic load-holding brake

- Electric reversible motor; three-stage planetary gear system
- Black powder-coat finish

SPECIFICATIONS:

- 4.8 hp, 216:1 gear ratio, free spooling clutch, 100' of $\frac{5}{16}$ " wire rope, weighs 74 lbs, remote control (Wrangler)

INSTALLATION:

- Custom Grille Guard Mounting System for Cherokee
- Bolts to vehicle frame
- Some drilling may be required for solenoid assembly
- Utilizes bumper mounting holes
- Can be used with some Mopar Grille Guards

INSTALLATION TIME:

- 1.5 hours (Wrangler)
- 2.0 hours (Cherokee)
