## PULL YOUR POSSESSIONS IN STYLE

The Prowler Trailer from Mopar is a perfect match...an exact nine-tenths scale replica of the popular hot rod's tail end. Premium tires, chrome-plated aluminum wheels (or exclusive wheel covers), and Prowler tail-lights are included to provide that distinct Prowler look. With 23-cubic feet of cargo area and a 615-pound capacity, the Prowler Trailer is ideal for hauling everything from golf bags to recreational gear, food, beverages, coolers – you name it. A tough fiberglass body and all-aluminum boxed perimeter-frame chassis is featured in its sturdy, yet lightweight construction, and the rubber torsion axle suspension provides a smooth, controlled ride. Comes fully assembled and painted to perfectly match your Prowler. Currently available in yellow, black, purple and red, with silver and orange coming soon for 2000.
