More Parts. More Profits.

It's no secret: the more parts you sell, the better your profits. But where can you find new customers in today's competitive market? The answer is as close as your own Used Vehicle Department thanks to Mopar's Value Line program.

Mopar Value Line products give you a competitive edge with your wholesale and retail customers. Mopar also offers popular maintenance and light repair products for 1995 to 2000 model year Ford and

General Motors domestic brands. Virtually every vehicle that goes to your dealership's Used Vehicle Department requires some reconditioning work. And much of that work involves maintenance and light repair products.

Mopar Value Line products available for 1995 to 2000 model year Ford and GM vehicles include: Batteries, Brake Pads and Shoes, Filters (oil and air), Lighting Products, Spark Plugs and Wiper Blades.

Quick vehicle turnaround is essential in any successful used vehicle operation. Now the parts your Used Vehicle Manager needs are as close as your Parts Department. The Used Vehicle Manager saves critical time. You boost your profits. It's a win-win situation.

This catalog includes all the part numbers and applications you need to sell Value Line maintenance and light repair products for most popular Ford and GM domestic brands.

TABLE OF CONTENTS

Introduction	2
Ford Car Coverage	4–11
GM Car Coverage	12–27
Ford Truck/Van/SUV Coverage	28–35
GM Truck/Van/SUV Coverage	36–61
Footnotes	60

Since the time of printing, some of the information you'll find in this catalog may have been updated. DaimlerChrysler Motors Company, LLC reserves the right to discontinue parts or change specifications without notice and without incurring obligation.

- WB wiper blades and inserts are tier priced.
- Toll-free technical support line to answer any wiper blade questions (1-800-BLADE-AID or 1-800-252-3324).

Why 1995-2000 Ford & GM?

Mopar conducted a research study and found:

- >> More than 85 percent of cars and trucks passing through Chrysler Group Dealership Used Vehicle Departments are 1995-2000 models.
- >> More than 33 percent of these vehicles are Ford and GM models.
- >> More than 80 percent of the vehicles are reconditioned by dealership in-house Service Departments.
- >> Products in the six categories chosen are replaced more than 70 percent of the time.

Refer to this new brochure in your DCMMS mail featuring the Mopar Parts All Makes Parts line or order via GPO, 00PM3746.

Thus, Mopar chose the top moving parts categories and added those applications covering the top Ford and GM vehicles in that age range. The result is this Value Line expansion that is sure to help all dealerships spur extra part sales.
